

The Victoria Frontier Shootists of the VFGPA

The Victoria Frontier Shootists are the Cowboy Action section of the VFGPA and SASS affiliated. We host competitive shooting events throughout the year using authentic or replica pre-1898 rifles, pistols and shotguns. Frontier shooting is a sport that emphasizes period clothing as well as shooting. Each competitor assumes a unique western shooting alias and persona. Those who participate are encouraged to compete in the spirit of the Old West. It is one of the fastest growing shooting sports in North America.

Our monthly morning matches are held the second Sunday (except in December and January). Check schedule for changes. Set up 8:00 a.m., **mandatory safety meeting 8:30 a.m.** Shooting 9 a.m. until 12:30 p.m. Cost \$5.

We host 3 full day shoots with 6 stages each on February 12th, May 13th and October 14th. Headquarters, our annual match, will be held on August 24th, 25th and, 26th and will include long range and speed events as well as 10 main match stages. Pre-registration required for these four events. You are welcome to be a spectator at any of our scheduled events and if you advise us ahead of time, and if time permits we may be able to arrange to let you try shooting! **For more information, please contact Ashley Harrison aka Black Ashley at 250 744-4705 or ash_man@shaw.ca.**

Many people have a great affection for the Wild West era. We welcome your participation. Come and join us for some good ol' fashion family fun. For those interested in experiencing cowboy action shooting for the first time we invite you to participate in our Nimrod training shoot to be held on May 12th. Registration for Nimrod through Al Wilson aka Hawewater Hal at hawewaterhal@gmail.com.
