## PRESIDENT'S NOTES

### Christmas General Meeting

The Christmas Social followed a short General Meeting. Most of the arrangements were made by Wynne Jones with food being provided by both the club and members. Wynne is a very dedicated volunteer to the club. She also provides coffee, tea and cookies at all General Meetings. Judging by the conversations overheard and participated in – the event was very successful. However, as for most club meetings, the turnout could have been better.

### Game Dinner

Tickets for the Game Dinner are available through the various retail outlets that sell our memberships as well as from the caretaker. Gary Kangas is heading up ticket sales and tickets can also be purchased from him at all the General Meetings prior to March 05. As this dinner is the major fund-raiser for the year, we need volunteers to canvass for items for the silent auction. In addition, many auction items are donated by club members - so if you can help in this way, please contact Perry Chow at 250- 478-2279. Perry is the prime organizer for the Game Dinner. More information about Game Dinner on page 6.

The meat for the dinner is donated, for the most part, by club members who are hunters. Commercial interests also contribute. Dennis Strobbe is the person to contact if you have game meat to donate. His contact number is 250-382-2909

### **Talks**

There will be no guest speaker for January but we will have Peter Pauwels from the Conservation Officer Service for the February meeting.

### **Boxing Day Trap Shoot**

Enough people volunteered to allow this shoot to go ahead. Steve Minckler coordinated the event and turnout was good. Many pounds of prime cuts of meat left the property in the hands of the winning shooters. Perry Chow, aided by Al Page and Val Macdonald provided lunch, which must have been appreciated as everything disappeared.

### **Archery 3D Turkey Shoot**

The 3D archery group put on a Turkey Shoot and the turnout was about twice as was expected. The shoot was designed to be fun and turkeys (or equivalent) were awarded by raffle. With the stresses of Christmas and New Years looming this low key approach gained a lot of favourable comments.

### **Memberships**

The sale of memberships is difficult for the membership chair to keep up with and is probably exceeding last year's numbers (1650 total membership). Over the past several years the club has enjoyed an ever increasing number of members. Some of this is due to the laws requiring a club membership for the ownership of restricted firearms but by far the greater influence seems to be a general increase in interest among the public for shooting sports.

Last year Island Outfitters sold 71% of memberships and all indications are that they are equalling or bettering this number for 2011. For the same period, Roby, the caretaker, sold 18% of memberships. The remaining 11% was divided among the other retail outlets which have agreed to sell our memberships – Robinson's Outdoor, West Shore Sport Fishing, Eagle Eye Outfitters and Pullen's Gunsmithing. The club owes these shops a hearty thank you – probably best expressed by purchasing from their stores.

### **Life Memberships**

Club bylaws state that at any one time the club can honour 10 people by appointing them to the position of Life Member. To be awarded this status comes from a long term history of working for the betterment of the club or for representing to the public the outdoor interests of hunting, fishing and resource conservation. To be a Life Member allows one perpetual access to all the facilities and services offered by the club without the need to pay annual membership fees.

Within the past year we have lost two Life Members – Harry Gladwell and Ernie Fedoruk. Both were long term supporters of the club in their own ways.

At the moment there are several club members that I see as meeting the criteria for life membership. However, my experience with the club is somewhat limited and I would like to receive suggestions from a wide circle of club members as to who they see as being worthy of the title.

### **Range Officer Group**

Saturday, January 22, 2011 will be the day for the first meeting of the group of people who have expressed an interest in receiving general training as range officers. This training will provide a basic understanding as to the rules and procedures that each club shooting venue uses in their events in addition to the rules and procedures within the bylaws of the club. Members will be expected to take turns in representing the club at shooting events but not to run the event.

Any person willing to participate can still sign on by calling either myself (Bob- 259-479-3828) or Dave Michaud at 250-514-9948.

### **Elections**

The March General Meeting will be election night. We will form a nominating committee at the next General Meeting (January 17). The most critical positions are those at the head table – President, 1<sup>st</sup> and 2<sup>nd</sup> Vice Presidents and possibly Secretary. Dom is willing to remain as Treasurer. I must vacate the President's position as the bylaws state that a person can hold the position for only two consecutive years in a lifetime. Sheril Connick, who has done an excellent job as Secretary, would consider remaining in that position if she could get a ride to all meetings. This can surely be arranged. Most of the present Directors representing venues are willing to continue. The position of Asset Manager must be filled.

Happy New Year  
Bob Macdonald

### **BCWF NOTES**

#### **Kid's Camp**

2011 will be the 3<sup>rd</sup> year that the Kid's Camp will be offered to the children of (or related to) VFGPA members. The VFGPA sponsored 2 children to the 2010 camp and by all I hear it was a great success. The 2010 program was better funded and there were more volunteers to make the work easier. The comment was made as to how enthusiastic and well-mannered the children were.

The 2011 camp will be held from July 18 to 21 at the Courtenay Fish and Game Club. This venue has probably the best facilities and location for the camp. Courtenay puts a lot of effort (and money) into this event.

The purpose of this note is to canvass the VFGPA membership for applicants. Any child, whether family or relation, between the ages of 10 and 14 can apply. Preference will be given to children of members who have never attended a "Kid's Camp". Each Island club can send two children to the camp.

Videos made during the camp will be put on a DVD and given to each camper later in the year.

#### **BCWF AGM**

The BCWF Annual General Meeting and Convention will be held in Surrey from April 13 –16, 2011.

**Fishing Contest:**

Colton Walmsley (age 7) 2 lb 10 oz Rainbow trout Elk Lake Dec. 12

Trophy winners from 2010 will be announced in next month's newsletter

**CRAIGFLOWER CREEK UPDATE:**

The latest update from James Craig of the B.C. Conservation Foundation concerning the release of water from Thetis Lake to Craigflower Creek is positive. He notes that project stakeholders have engaged the public and Regional Parks Committee members in order to inform them of the issues. These efforts have been successful as the CRD continues to move towards the release of water from Thetis Lake despite the corporate review of dam/reservoir management currently underway.

CRD Parks management will be advising the CRD Parks Committee early in the new year on their plan to address the remaining liability issue around swimming/diving at Thetis Lake. CRD Parks has cancelled the planned underwater assessment of hazards at Thetis Lake as the study is inappropriate at this time. CRD has received a letter from DFO Habitat Management stating they support the project and confirming that, during the proposed multi-year trial release period, there would be no obligation to release water.

The BCCF notes we look forward to finalizing details around a release of water from Thetis Lake with CRD Parks' field staff in the spring of 2011.

It is unfortunate that cooperation from the CRD was not forthcoming earlier in 2010 as this could have prevented the mortality of thousands of Coho fry rearing in Craigflower Creek.

Wayne Zaccarelli.  
Fishing Committee Chair.

**NEW 6<sup>TH</sup> EDITION BIG GAME RECORDS BOOK**

A new 6<sup>th</sup> edition **BIG GAME RECORDS OF BRITISH COLUMBIA** has been published by the Wildlife Records Club of B.C. The 480 page hardcover book features a fall Grizzly painted by Prince George wildlife artist, Ken Ferris, on the front cover.

The book contains more than 9000 entries in 19 big game categories and lists over 1900 new entries received since the 2003 edition. Included are feature articles of general interest along with a wide variety of pictures and hunting stories related to the more recent entries.

The Wildlife Records Club of British Columbia was formed in Kamloops in 1969 with the objective of maintaining a perpetual record of trophy class big game taken in British Columbia. Using the Boone & Crockett scoring system, the Club has scorers throughout the province for the convenience of hunters. Since 1982, directorship of the Club has been based on Vancouver Island.

The Club is dedicated to wildlife conservation, selective hunting and fair chase. Copies of the 6<sup>th</sup> edition Records Book are available from Wayne Zaccarelli (250-382-8502) or from Island Outfitters in Victoria.

## LETTERS REQUESTED TO SAVE TRADITIONAL COASTWIDE RECREATIONAL HALIBUT FISHERY

Letters to the Minister of Fisheries & Oceans are requested in efforts to change the management parameters of our halibut fishery so that early season closures do not happen again. Here are some points to consider and use in your letter.

- the Sport Fishing Advisory Board position is for an 11 month (February 01 to December 31) season with a daily limit of 2 and a possession limit of 2.
- former Fisheries Minister Robert Thibault in 2003 implemented a halibut allocation policy which split the Canadian Pacific coast halibut catch between commercial and recreational fisheries 88/12, respectively.
- the total allowable catch (TAC) is set each year in January by the International Pacific Halibut Commission (IPHC). This catch allows the fisheries to be managed on a sustainable basis.
- according to DFO catch estimates, the sport fishery exceeded its 12% quota in 2010 and was closed on October 18. In 2008, the fishery was closed November 01 for similar reason.
- DFO says we exceeded our quota by 71,000 lb to October 18, 2010. This amount will have to be paid back by subtracting from our 2011 quota. This could result in an even earlier closure in 2011 if an alternative management regime cannot be agreed upon for 2011 and the future.
- the early season closure in 2010 was in spite of the fact the commercial fishery left 750,000 lb of their quota still in the ocean to be caught at a later date.
- the approximately 100,000 recreational halibut anglers generate a large economic return to both the province and the country. The early closure of our halibut fishery is not justified based on either allocation, conservation or economic considerations.
- we oppose the gifting of halibut quota to 435 commercial halibut licence holders. This common property public resource is only fished by about 1/3 of the licence holders while the remaining 2/3 choose not to fish but to lease their quota to the others and make huge profits in doing so.
- a halibut allocation process has been set up to address various halibut allocation options aimed at resolving the 88/12 split which does not work for the recreational fishery. A favoured option is for a set number of pounds per year for the sport fishery which would allow it to continue for the full 11 month season.

Write your letters to:

Gail Shea, MP,  
Minister of Fisheries & Oceans,  
Parliament Buildings,  
Wellington Street,  
Ottawa, Ontario,

Please also send copy to Sport Fishing Institute of B.C., 8014 Webster Road, Delta, B.C., V4G 1G6. They need the letters to track the effectiveness of the lobbying efforts. More information can be found at the SFIBC website - [www.sfibc.com](http://www.sfibc.com)

**BIG GAME RECORDS BOOKS**

Copies of the newly published eighth edition (2010) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$5 each. The issue contains a brief history of the records which were started in 1972 by Byron Mason and Charles Veasey. Byron Mason has written another excellent article on the history of hunting on Vancouver Island from 1900 to 1920. The previous seventh edition (2000) contained Byron's piece on blacktail deer populations and hunting on Vancouver Island from 1843 to 1899.

The current records list 1824 entries scoring 100 or more Boone & Crockett points. Several old hunting photographs have been reproduced for the first time in the Vancouver Island deer records booklet.

Some copies of the seventh edition (2000) are still available at \$4 each. Contact Wayne Zaccarelli @ 250-382-8502 or at general meetings to get your copies.

**Big Game Records of British Columbia** books are also available as follows:

2 <sup>nd</sup> edition (1983)	\$20.00	3 <sup>rd</sup> edition (1988)	\$20.00
4 <sup>th</sup> edition (1995)	\$20.00	5 <sup>th</sup> edition (2003)	\$30.00

These are hard cover books containing records of all big game native species, hunting stories and photographs. Check out the **Wildlife Records Club of B.C.** website or e-mail to:

Website: [www.wildliferecordsofbc.com](http://www.wildliferecordsofbc.com)

e-mail: [wildliferecordsofbc@shaw.ca](mailto:wildliferecordsofbc@shaw.ca)

Contact Wayne Zaccarelli for record books or further information. A new 6<sup>th</sup> edition is currently being compiled and should be available around year end.

Entry fees are \$20 per animal. If you have a harvested or found big game animal which you would like scored as a potential record book entry, please contact Fred Pringle @ 250-478-1862. Fred is an official Club scorer and also a Boone & Crockett scorer.

**ERNIE FEDORUK**

FEDORUK, Ernie Passed away peacefully in the early morning of December 3 in Victoria at the age of 79. A loving Father, grandfather and husband Ernie was born in Vegreville, Alberta, on May 18, 1931. After his early years working as a sports reporter in Edmonton, Regina and Ontario, Ernie moved to Victoria in 1957 to join the sports staff at the Victoria Times. A beloved figure throughout the Victoria sports community as a writer with the Times and Times Colonist, Ernie loved his adopted hometown and shared his passion for local sports with everyone that he met. A gregarious gentleman with a love for conversation, Ernie befriended all who crossed his path and shared as many stories with friends and strangers as he did with all his readers throughout his 39 years of covering sports in Greater Victoria. He took a keen interest in the development of young talent and was instrumental in assisting many young Victoria athletes in pursuing their dream in their chosen sports. An avid curler and golfer, Ernie was perhaps happiest when he was out fishing on local waters, a passion that led him to write on the topic in his later role as the Time-Colonists' outdoors columnist. He found his maternal roots when he visited his Mother's family in 1991 and 2001 in the Ukraine. Ernie will be greatly missed by his wife of 55 years Eileen who cared for him through his final years suffering from Alzheimer's disease. He is also survived by his daughter Darynn who will always remember growing up at sporting events wherever her Dad would take her and his two grandchildren, Brittney and Troy who will miss so many happy times spent at Grandpa's' side. Ernie is also survived by his sister Lola Blumer (Erwin) of Edmonton, Alberta, brother-in-law Jack Knill (Dee) of Victoria, and his many cousins, nieces and nephews. Ernie is pre-deceased by his brothers Michael and William Fedoruk. A special thanks from the family to all who cared for Ernie at Watson Ward, Royal Jubilee Hospital and Beckley Farm Lodge in his final years. A celebration of Ernie's life will be held Saturday, January 22 from 1-4pm at the Strathcona Hotel's Club 919 (the Old Forge to all of his friends) to share a drink and of course a story.
