PRESIDENT'S NOTES

Here Comes Summer!

As we go to press, our Family Fishing Day June 18 and Outdoor Discovery Day on Fathers' Day, June 19, are drawing very close. No doubt we'll see many of you there. As always, we are appreciative of the fact that our members cordially welcome the many guest families who show up to enjoy the outdoor experiences we offer. This annual VFGPA open-house weekend always seems to be an exciting reminder that summer is on the way.

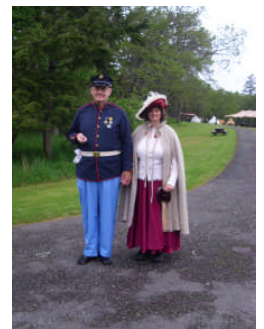

President On the Prowl

One of the perks of this job is that it offers an excuse to check out all of the various activities and interests of our members. Since the Frontier Shootists' Nimrod Shoot, it's also been possible to become a little better acquainted with Silhouette, the Frog Hollow "fishin' hole", and Black Powder. Many of our Black Powder members are involved in the larger community with the Historical Re-enactments put on by Parks Canada. If you missed the one at Fort Rodd Hill on the May long weekend, that would be due to the fact that it was not advertised. Since this is the case with virtually all these demonstrations of our Canadian heritage, we'll ask our Black Powder executive director, Perry Chow to keep our members informed of future events. All of our disciplines offer unique and exciting activities and events. Hopefully I'll be able to get to know more of our members and your special areas of interest this summer.

Have a great summer, everyone! Remember that Fathers' Day weekend on the Malahat is a great way to launch the season!

**THIS MONTHS RANGE RULE REFRESHER!!****We have updated our Range Rules!!!!!!**

Your Board of Directors has been working to keep the Range Rules current and relevant. This month we have the "Rules Specific to the Shotgun Range" refresher, as well as the "Rules specific to the Multi-Purpose Range. Next month, we will have the updated rules specific to the Archery Range. The full range rules can be found and downloaded from our website; vfgpa.org under the 'About Us' tab.

RULES SPECIFIC TO THE SHOTGUN RANGE

Please Note: These rules are in addition to the General Range Rules. Sanctioned events may have variations.

1. No discharge of firearms other than shotguns on the Shotgun Range (Except as part of a special VFGPA sanctioned event).
This means NO rifles, pistols or cannons of any caliber or style.
2. Firearms are NOT permitted in the clubhouse. (Unloaded Handguns may be holstered at a sanctioned event).
3. No spectators forward of the designated firing line.
4. No shot larger than No. 7 1/2 shall be used.
5. No gun shall be loaded until the shooter is on a shooting station.
6. Any loaded gun MUST BE pointed in a safe direction.
7. The loading of more than two shells in a gun is not allowed at any time.
8. No "backing-up" shall be allowed while shooting Skeet.
9. Following the use of trap or skeet facilities other than at a VFGPA sanctioned event each shooter is required to clean up any spent shotgun hulls and all litter.
10. Please ensure that broken clay target debris does not litter the shooting stands or the trap machine bunkers, it must be cleaned up.

RULES SPECIFIC TO THE MULTI-PURPOSE RANGE

Please Note: These rules are in addition to the General Range Rules. Sanctioned events may have variations. This range is only for use by Members and their guests (members must be present with guest). This range has key-access only, and should be locked upon entering and leaving the range. Keys are available (for a deposit of \$25) from a member of the Board, or the Caretaker. Upon reaching the shooting area, it is required to sign-in again at this range.

1. The firing line is just inside the front edge of the berms. All shooting must be from this line, towards the rear (backstop). All bullets must be directed to the sand backstop.
2. No shooting into the side berms; the berms are designed for Safety, NOT as a bullet backstop.
3. This is a pistol, shotgun, Black Powder, and small caliber rifle range. I.E. pistol caliber, 22 rimfire, & small caliber/low velocity rifles ONLY. NO large caliber or high velocity rifles. (ie. Standard 7.62 SKS rounds, or 223 are the top end of accepted rounds for this range. This range allows use of calibers up to and including the 223 Remington template. Templates are posted on the range bulletin board.
4. All targets are to be paper or cardboard.
5. All personal metal targets must be pre-approved by the Caretaker or Range Safety Officer (if present) prior to use on this range.
6. When moving forward to check targets, handguns may be safely holstered if you have been 'Holster Trained', otherwise all handguns and long-guns must be placed on your shooting table, pointed downrange, unloaded with actions open.
7. Leave the range clean.
8. The Caretaker has a supply of paper targets (small cost involved) which may be used on this range.

When finished shooting, please clean-up both your shooting station, AND the targets and debris from your targets at the target distance at which you were shooting. Please leave the range cleaner than you found it.

**Family Fishing Day Saturday June 18th 10am to 3pm:**

We need volunteers for Family Fishing Day on Saturday June 18th, 10am to 3pm. Please contact Perry Chow at (250) 478-2279 if you can Volunteer.

Discovery Day on Sunday June 19th, 10am to 3pm:

Discovery Day Need volunteers for (parking attendants, info booth, etc) on Sunday June 19th. The event is happening 10am to 3pm. Please contact Dan Bauer at heavymetaldan@hotmail.com or call (250) 896-0979.

**ABEBOOKS SOFTWARE**

One of the AbeBooks software engineering teams, led by Engineering Manager and VFGPA member Peter Locke, spent a stress relieving day out of the office and up at the ranges. We were treated to amazing sunny weather in the morning at the shotgun range, where Lucky Jharga introduced the team to trap shooting and proper handling of a firearm, and supervised a great shoot. In the afternoon, Peter took the team up to the MP range and led them through some short range pistol and .22 rifle target shooting. In typical Malahat weather fashion, the sun turned to heavy snow, but no one was deterred. Sore shoulders, big smiles, and range talk was a big part of the next day.

**South Island Action Shooters**

June 5th presented a beautiful day for 22 of our shooters to enjoy another exciting Club Match. Trevor Hermann pretty much dominated *BOTH* Set-up and Match Days, as 1. Match Director, and 2. Match winner. Trevor was deposed on only two of the match stages, thanks to Jim Sprang and Oleg Matveenکو. It looks like many of our shooters are definitely ready for the ISL Double Header in Campbell River:

June 25; Campbell River ISL#4

June 26; Campbell River ISL#5

We all look forward to this event. Not only do we enjoy great shooting and good company, but our hosts go to a great deal of trouble to ensure that the food matches the superb facilities!

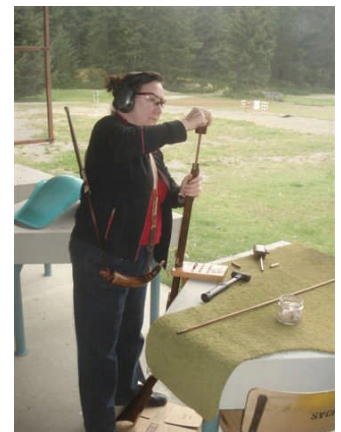

Please Note: July 10th is the next Club Match. Please note the date has changed and all SIAS members have been informed.

**BLACK POWDER SATURDAY MAY 28, 2011**

Another vibrant Black Powder Saturday greeted 19 enthusiastic participants. There was a trio of old time Sharps Shooters, they put on quite a display whacking steel at far off distances. The competition itself was once more hotly contested. Art Archer won the day as Top Gun with his trusty rifle. However, he only bested the second place being Keith Melbye by only two points. Third runner up was Robie Petrie. Top Smooth Bore - Jacques VanBodegraven. There was a sizeable contingent of lady shootists. Angie Gold carried the day as the Ladies Top Gun. There was also a young man who was a guest who had never fired a gun before and was very enthusiastic after shooting a percussion rifle a number of times.

Once more remember to place in the winners circle for the year, you must attend three Black Powder Saturday's shooting the same category. So in theory if someone shot three matches with a smooth bore and three matches with a rifle and posted the best score at each event they could be Top Gun for the year in both categories.

**Kitchen Report**

If anyone is planning on using the coffee machine please turn on the machine let it run at least three pots of hot water and wait for five minutes before making coffee. Please open one can of coffee at a time, and then place empty coffee can in the garbage.

The new equipment in the kitchen is in place. If you need to use the kitchen please get the Caretakers or Perry Chow to show you how to use the new equipment.

Victoria Fish & Game Newsletter Report

PPC (Police Pistol Competition) Section Report

The PPC section of the club hosted another 'Introduction to Handgun' course on the first weekend of June. We had a total of 19 'Students', who ranged in experience from a rank beginner (How do I hold this again???) to club members who shoot other disciplines. For those of you who are unfamiliar with this course, the PPC section hosts two of these courses each year. Their purpose is threefold; to recruit new Fish & Game Club members, to recruit new PPC shooters, and to encourage non-shooters to be comfortable around firearms. It is a total of approximately 8 hours of both classroom and practical instruction that covers everything from safe gun handling to holster training, sight picture and trigger control. The final objective being accuracy; after all, if you don't hit what you aim at, all you are doing is making noise..... We were successful on all three of our objectives. Everybody had fun and took home a few souvenir targets; we have a number of people who are interested in finding out more about PPC shooting; and some of the students joined the VFGPA.

The weather was perfect on Saturday for the course. The participation, enthusiasm and energy of the students is what makes the class a success. Attached is a class picture. What a fine looking group!

ELK LAKE ADVISORY GROUP:

The following letter was e-mailed to CRD Parks on May 23. As of June 06 the letter has not been acknowledged or answered.

May 23, 2011.

Janette Loveys, Chair,
Elk/Beaver Lake Recreational Use Advisory Group,
CRD Parks Department,
490 Atkins Avenue,
Victoria, B.C.,
V9B 2Z8

Dear Ms. Loveys:

Thank you for forwarding a copy of the draft minutes of the latest March 03, 2011 Advisory Group meeting.

I notice under the list of members present the names of two individuals representing the Victoria Rowing Society - Adam Parfitt and Dave Toppin. I also note under those giving their regrets another two individuals representing the Victoria Rowing Society - Rick Crawley and James Keogh. I take this to mean the VRS has four voting representatives on the EBLRUAG; two of which were in attendance and another two who were unable to attend.

The latest Terms of Reference for the Elk/Beaver Lake Recreational Use Advisory Group, revised September 2008, states "Organizations that are responsible for electing their representative are: Victoria Rowing Society , ...". I understand this to mean; one interest group, one individual, one vote. To my knowledge all other user groups sitting at the table are represented by one individual with one vote.

Can you confirm that my interpretation above is correct and, if so, why the VRS has four voting representatives on the Advisory Group while all the other user groups have only one each.

Yours truly,

A handwritten signature in cursive script that reads "Wayne Zaccarelli".

**ATTENTION**

It has come to my attention that anyone who is going up to the range, please drive slowly on all of the roads. The dust that comes up isn't good. Please think of others that are behind you or are walking.

Thank you,

Hey Skeet Shooters!!!

We have moved practice time from 10 AM to 4 PM. I will usually be set up and ready to shoot at 3 so come on up and bring your friends. Cost has not changed from \$4/25 birds, please bring small change. Please bring your own ammo and shotgun. Bring some food if you plan to stay long as there are no provisions for food. It has already been a great year since January so see how much fun it is and enjoy the warm weather, it is very relaxed, beginners welcome. We will shoot as long as people want to practice. ***If you phone in advance, to say that you are coming, we will be able to have extra shotguns for you to borrow.***

**BIG GAME RECORDS BOOKS**

Copies of the newly published eighth edition (2010) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$5 each. The issue contains a brief history of the records which were started in 1972 by Byron Mason and Charles Veasey. Byron Mason has written another excellent article on the history of hunting on Vancouver Island from 1900 to 1920. The previous seventh edition (2000) contained Byron's piece on blacktail deer populations and hunting on Vancouver Island from 1843 to 1899.

The current records list 1824 entries scoring 100 or more Boone & Crockett points. Several old hunting photographs have been reproduced for the first time in the Vancouver Island deer records booklet.

Some copies of the seventh edition (2000) are still available at \$4 each. Contact Wayne Zaccarelli @ 250-382-8502 or at general meetings to get your copies.

Big Game Records of British Columbia books are also available as follows:

2 nd edition (1983)	\$20.00	3 rd edition (1988)	\$20.00
4 th edition (1995)	\$20.00	5 th edition (2003)	\$30.00

These are hard cover books containing records of all big game native species, hunting stories and photographs. Check out the **Wildlife Records Club of B.C.** website or e-mail to:

Website: www.wildliferecordsofbc.com

e-mail: wildliferecordsofbc@shaw.ca

Contact Wayne Zaccarelli for record books or further information. A new 6th edition is currently being compiled and should be available around year end.

Entry fees are \$20 per animal. If you have a harvested or found big game animal which you would like scored as a potential record book entry, please contact Fred Pringle @ 250-478-1862. Fred is an official Club scorer and also a Boone & Crockett scorer.

NEW 6TH EDITION BIG GAME RECORDS BOOK

A new 6th edition **BIG GAME RECORDS OF BRITISH COLUMBIA** has been published by the Wildlife Records Club of B.C. The 480 page hardcover book features a fall Grizzly painted by Prince George wildlife artist, Ken Ferris, on the front cover.

The book contains more than 9000 entries in 19 big game categories and lists over 1900 new entries received since the 2003 edition. Included are feature articles of general interest along with a wide variety of pictures and hunting stories related to the more recent entries.

The Wildlife Records Club of British Columbia was formed in Kamloops in 1969 with the objective of maintaining a perpetual record of trophy class big game taken in British Columbia. Using the Boone & Crockett scoring system, the Club has scorers throughout the province for the convenience of hunters. Since 1982, directorship of the Club has been based on Vancouver Island.

The Club is dedicated to wildlife conservation, selective hunting and fair chase. Copies of the 6th edition Records Book are available from Wayne Zaccarelli (250-382-8502) or from Island Outfitters in Victoria.
