PRESIDENT'S NOTES

As we go to press, memories of summer's activities are still fresh in our minds, but life's "winter rules" are beginning to demand our attention. We hope all of you managed to enjoy some of the fun and excitement that rocked our Malahat Range, whether during the long wait for the weather to match the calendar, or after the beautiful, balmy temperatures finally showed up this summer.

Services to Members

TRY SOMETHING NEW

We've made some progress in accommodating requests for training and orientation. Many thanks to each one of our enthusiastic volunteers who has taken the time to share a favourite activity with newcomers, giving them hands-on experience, encouragement, and friendship. For anyone who would like to try an activity but does not have equipment, many of the disciplines that have regular scheduled practices are open to the adventurous and inexperienced. The only charges would be to cover the cost of consumable items – e.g. ammunition, clays for trap & skeet. It is important that you contact the Executive Director of the activity you choose so that arrangements can be made for someone to be there to help you when you get there. Find the list of the executive directors of all of the activities in the list of the entire executive at:

<http://vfgpa.org/about-us/executive/>

Non-members of VFGPA are welcome, but are required to also pay for a Day Pass, which is an insurance requirement. Day pass info. can be found at: <http://vfgpa.org/about-us/membership/>

The most recent list of groups that offer this fun-and-friendship type of familiarization includes: Archery, Black Powder, Frontier Shootists (includes "Wild Bunch" shoots), Skeet, Trap. Other groups practice irregularly, but are equally willing to help newcomers. Feel free to contact their directors for information about attending practices (e.g. South Island Action Shooters and Airsoft).

Members' General Meeting

The September Members' General Meeting is scheduled for Monday, Sept. 19 as indicated on your VFGPA calendar. Meeting begins at 7:30 p.m. at Strawberry Vale Community Hall, 11 High Street, Victoria.

Volunteering & Taking Part in the Life of the Club

As promised, your executive is working on a better system of communication for contacting members when volunteer help is needed. Many of you have indicated your willingness to help, and we regret that you haven't been contacted directly at all this year. If we are to continue to be a vibrant, friendly club, this aspect of club life must be streamlined - and more all-inclusive. A new policy is being drafted, and should be in place by the time 2012 memberships are available. With our membership now well over 2000, no-one's turn should come around very often!

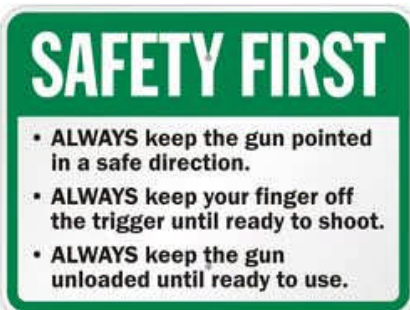

Coming Events

1. A presentation by the Conservation Officer Service is being arranged by CO Peter Pawels, tentatively scheduled for the October 17 Members' General Meeting. A variety of topics will be discussed which will be of interest to many of our members. A half-hour business meeting will be held from 7:30 to 8:00 p.m. followed by the short CO presentation and a question period. Any further business will continue after the presentation if necessary. More precise details will follow in the next Newsletter.
2. Heritage Night – November 21 General Meeting - Memories shared by some long-time members, and a Period Costume Display of past, present and future equipment and apparel for our VFGPA disciplines will be included in the program. Bring your imagination. Should be fun!

By President,
Myrna Francis

FROM THE RANGE SAFETY OFFICERS

Reference cross firing on the range is not safe under the range design and that direct supervision of anyone without a P.A.L. means direct supervision and control. (for all our young shooters under 18 years for Non-Restricted and 19 for Restricted.

MEMBERS PLEASE NOTE:

*** ***The range is only approved to 250 yards distance limit for the R/P range ******

**THIS MONTHS RANGE RULE REFRESHER!!****We have updated our Range Rules!!!!!!**

Your Board of Directors has been working to keep the Range Rules current and relevant. This month we have the "Rules Specific to the Archery Range" and our policy regarding any violation of our safety rules. The full range rules can be found and downloaded from our website; vfgpa.org under the 'About Us' tab.

RULES SPECIFIC TO THE ARCHERY RANGE

Please Note: These rules are in addition to the General Range Rules. Sanctioned events may have variations.

1. Crossbows shall be carried uncocked. Load only when you have reached the shooting point.
2. Field Points ONLY may be used to shoot the bags or the large blue field butts. (arrows must be able to be removed without damaging the bag or butt.)
3. Broadheads are to be used in the sand pit ONLY.
4. NO Cross-firing. Always aim at the proper target.
5. Do NOT shoot arrows high into the air; the landing point is unpredictable.
6. Do NOT walk in the reverse direction on the 3D Trail; this may result in unsafe directions of fire.
7. Always KNOW that your arrow will land in a safe area if you miss the target.
8. When looking for lost arrows behind a target, ALWAYS leave a No-Shoot marker or ask someone to act as a sentry in front of the target, so other archers know not to shoot.
9. Leave the range clean.

- In order to fully enjoy the archery Range and adjoining trail, please familiarize yourself with the basic layout, shooting positions and the target position attached to it.
- The trail is marked by 2" solid yellow ribbon. If the trail is blocked by a ribbon tied across the path, then the TRAIL IS CLOSED!! DO NOT CROSS PAST THE RIBBON!! It could be in the line of fire of a target from a forward position.
- Found arrows are to be put in the box at the back door of the Archery Clubhouse; check there if you have lost one.
- ALWAYS be aware that the Rifle/Pistol range is to the east of the trail, and that to the west of the trail is the lower access road; All archery activity must be arranged so that NO ARROWS can pose a danger to these areas.
- When finished shooting, please clean-up both your shooting station, AND the targets and debris from your targets at the target distance at which you were shooting. Please leave the range cleaner than you found it.

VIOLATION OF THE VFGPA PROPERTY USE POLICY OR RANGE RULES

The Victoria Fish and Game Protective Association wishes to maintain a safe environment for all its members and non-members at the Malahat Outdoor Sports Facility. Having the obligation to operate the organization under strict insurance criteria, it is deemed unacceptable to break the rules. If you see someone not following our safety rules, please introduce yourself and give them a gentle reminder of the correct safety procedures to be followed. You will find a laminated copy of our Range Rules hanging on the bulletin board of each range. Most people will be happy to be informed of the correct procedure to follow. If you encounter resistance, do not press the matter; report the incident to the Caretaker or Range Officer immediately.

Please Take Note:

The Caretaker and the Range Officer may demand violators leave the property immediately. The Executive has the right to remove membership privileges or suspend membership and The Executive also has the right to ban violators from future access to the property. Serious violations will be dealt with severely. Ignorance of the rules is not an excuse. If accused of violating any the VFGPA rules, members and non-members have the right to a hearing at the next official Board of Directors Meeting.

**THE VICTORIA FRONTIER SHOOTIST 20TH ANNUAL HEADQUARTERS**

The Victoria Frontier Shootists of the Victoria Fish & Game Protective Assoc. hosted the 20th Annual Headquarters, September 3rd & 4th. A vibrant and action packed weekend highlighted by a precedent setting win of Top Gun by Lady Shootist Joleen Wilson a VFGPA member. This is the first time Headquarters has been won by a woman.

Headquarters was a ten stage Cowboy Action Shooting Match for Saturday and Sunday morning. Sunday Afternoon Holger Dittberner from Germany, a VFGPA member, conducted the mid range and Scheutzen Rifle competition. The Scheutzen target was won by 15 year old Simon Harrison.

Tex and Barbara Ormand representing the Single Action Shooting Society, based in New Mexico, attended. Tex awarded the shooting competition certificates as well as winning in one of the shootists categories.

The event was punctuated with superb lunches and dinners. Slaters First Class Meats must be commended for their excellent cold plates for lunch and their steaks BBQed by VFGPA's very own Napalm Al Page. Sunday's award banquet was a stellar occasion. The banquet was put on by Goldstream Catering who have done it for 18 years.

Many participants were quoted as saying "The Best Headquarters Ever!"

The Victoria Frontier Shootists of the VFGPA invite anyone interested in Cowboy Action Shooting to attend our monthly practises from 8 to noon, second Sunday of each month.

Please review the VFGPA calendar in the Newsletter to keep abreast of Shootist events.

The SIAS Club and the Multi-Purpose Range have enjoyed a busy, exciting past few weeks. There have been regular Club Matches, Three-gun Matches (plural!), ISL, IPSC, and lots of new faces at matches and practices, as well as at special events.

NEW er... "FACES"

Some of our longer-term members were on the move at the Provincial IPSC Championships at the POCO Range in Port Coquitlam.

Lofty heights were achieved as follows:

Standard Division:

Oleg Matveenkov - 4th overall,

Production Division:

Trevor Hermann - 2nd overall

Dom Piluso - 6th overall

CONGRATULATIONS, GUYS!

Long-time movers & shakers in "Still Life" format

(VERY RARE POSES!)

Great fun at the August Club Match

Sad to say, our club has lost two of our very active newer members, Dani Tzoweh and Justin Hendricks. An impromptu new-shooters practice, led by Ted Leung at the M/P range ended up as a fun day and a chance to offer good wishes for success in the new jobs that are taking these two away from us.

**BIG GAME RECORDS BOOKS**

Copies of the newly published eighth edition (2010) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$5 each. The issue contains a brief history of the records which were started in 1972 by Byron Mason and Charles Veasey. Byron Mason has written another excellent article on the history of hunting on Vancouver Island from 1900 to 1920. The previous seventh edition (2000) contained Byron's piece on blacktail deer populations and hunting on Vancouver Island from 1843 to 1899.

The current records list 1824 entries scoring 100 or more Boone & Crockett points. Several old hunting photographs have been reproduced for the first time in the Vancouver Island deer records booklet.

Some copies of the seventh edition (2000) are still available at \$4 each. Contact Wayne Zaccarelli @ 250-382-8502 or at general meetings to get your copies.

Big Game Records of British Columbia books are also available as follows:

2nd edition (1983) \$20.00

3rd edition (1988) \$20.00

4th edition (1995) \$20.00

5th edition (2003) \$30.00

These are hard cover books containing records of all big game native species, hunting stories and photographs. Check out the **Wildlife Records Club of B.C.** website or e-mail to:

Website: www.wildliferecordsofbc.com

e-mail: wildliferecordsofbc@shaw.ca

Contact Wayne Zaccarelli for record books or further information. A new 6th edition is currently being compiled and should be available around year end.

Entry fees are \$20 per animal. If you have a harvested or found big game animal which you would like scored as a potential record book entry, please contact Fred Pringle @ 250-478-1862. Fred is an official Club scorer and also a Boone & Crockett scorer.

NEW 6TH EDITION BIG GAME RECORDS BOOK

A new 6th edition **BIG GAME RECORDS OF BRITISH COLUMBIA** has been published by the Wildlife Records Club of B.C. The 480 page hardcover book features a fall Grizzly painted by Prince George wildlife artist, Ken Ferris, on the front cover.

The book contains more than 9000 entries in 19 big game categories and lists over 1900 new entries received since the 2003 edition. Included are feature articles of general interest along with a wide variety of pictures and hunting stories related to the more recent entries.

The Wildlife Records Club of British Columbia was formed in Kamloops in 1969 with the objective of maintaining a perpetual record of trophy class big game taken in British Columbia. Using the Boone & Crockett scoring system, the Club has scorers throughout the province for the convenience of hunters. Since 1982, directorship of the Club has been based on Vancouver Island.

The Club is dedicated to wildlife conservation, selective hunting and fair chase. Copies of the 6th edition Records Book are available from Wayne Zaccarelli (250-382-8502) or from Island Outfitters in Victoria.
