**PRESIDENT'S NOTES*****Enjoying Planet Earth through VFGPA Membership***

Since this message will arrive in your mailbox before mid-December, I'm taking advantage of the opportunity to again extend to everyone, best wishes for a **JOYOUS CHRISTMAS SEASON** and a **VERY HAPPY NEW YEAR 2012** full of dreams-come-true.

You're invited to let us start you off in *your* happy direction with our Annual Christmas Social on December 19th at 7:30 p.m. As always, the social will follow an abbreviated General Meeting. As you were warned in last month's Newsletter, Wynne Jones is plotting a snack buffet of unimaginable delights - which is always the case when she plies her skills at a VFGPA event.

Heritage Night Report**HONORED LONG-TIME FAITHFUL MEMBERS**

Heritage Night gave us an opportunity to formally thank some of our most faithful members.

They are a modest bunch, and it took a great deal of detective work, hampered by the fact that, when asked, every one of them was determined to give credit to the others!

However, we were able to present awards to

Hutch Hutchinson
Colin Menzies
Wayne Zaccarelli
Chet Preston
Brian Roberts
Gord Davies
Roy Cleemoff
Duncan Haydon
Perry Chow
Dave Lee
Alec Stenger

**THE COSTUMES & SHENANIGANS BUNCH**

We know there are many more long-time members that belong on this list. In many cases, supportive and involved wives and families should be listed, too. We would appreciate suggestions and contact information from anyone who can advise us about people we may have overlooked, and a very sincere thank-you to those who offered information this time.

Also, a very sincere thanks to all of the supportive people who just jumped in and did all they possibly could to make the evening so much fun: Gary & Sybil Kangas for costume commentaries and emcee duties, Al Page & Bill Francis (A.K.A. "Honey"), for home-made biscuits & cookies, respectively, plus kitchen duty with Wynne, Jodi & Tom Sturgill for costume loans, Dom Piluso for our scaffolding change-room & a ton of other help, Jeremy Osborne, Simon Harrison, Sue Bender, & Ashley Harrison for pulling off the VERY last-minute "Chain-Gang" skit,

Our "Chain Gang" crew were clothed by **Island Outfitters**, who assured us that these waterproof, silent - but very comfortable - moisture-wicking outfits make outdoorsmen/women identifiable to hunters but not to deer.

<==

One advantage is, our futuristic chain gang would be easily spotted by the warden – and YES, they may need guns! You never know how we'll be getting our groceries in the future! Convicts have to be good for something!

Our other glimpse into the crystal ball was given by our new Women's Shooting Club:

==>

Big Date and **Evening** outfits will include handguns & holsters – with lots of "BLING"!

WELCOME – AND ONE FINAL THANK-YOU

CONGRATULATIONS to our newest VFGPA group, the **Victoria Women's Shooting Club**, who instantly became involved in our Club when asked. They willingly offered their talents and expertise wherever possible to make this, their launch evening, a complete success. **WELCOME** and a great big **THANKS** for all the help and enthusiasm!

ON THE HORIZON FOR 2012

Volunteer Pilot Program

Out of respect for our dedicated, willing (and overworked) volunteers, we are introducing a reward program for this year. Volunteers contribute many thousands of dollars' worth of labour and resources every year toward maintenance, improvements, and services that make VFGPA an exceptionally vital organization but it's always the same people,

During 2012, volunteers will be assigned a coupon for each time they perform work for the Club. Coupons can be "spent" on almost everything for which the VFGPA requires payment. Obviously this does not include charges by individual disciplines within the main Club, such as match fees and lunches at events, but it does include membership fees and guest passes.

Also, names will be drawn from the membership, each month. Those people will be contacted and asked to be available to volunteer, and reply to a few questions. This will enable the different discipline leaders to know whom to contact according to each volunteer's expertise or interest. Please try to be of service to your club when your name comes up, as this also gives you a chance to accumulate credits toward your next year's membership, or any other eligible Club expense.

Remember this is a pilot program, and there will be "bugs" to deal with, but if we all commit to trying to streamline it to fit our needs, it will require very little volunteer time from anyone, with huge benefit to all. Please help keep our Club growing and dynamic. If you would like to receive an outline of the complete Volunteer Program, or have any ideas for improving it, please contact your president at: president@vfgpa.org.

**SHARING OUR SPACE – New Years Resolutions to make it work**

As our membership grows, we're guaranteed to find that the choices we make are more likely to affect others, and others' behaviour will affect each of us.

ONE THING WE MUST REMEMBER IS THAT CHANGE HAPPENS WHETHER WE LIKE IT OR NOT – AND CHANGE IS HERE!

A very few years ago, when we had 537 members, instead of the current 2400, a relaxed approach to rules didn't pose as great a threat to as many people as it does now. Many people think those days are still here, but they are *NOT*.

Here are some New Year's Resolutions we must all make that will increase 1. everyone's enjoyment of our property, and 2. our chances of returning home unscathed from a pleasant day in the great outdoors.

I RESOLVE...

-to sign in at the sign-in kiosk when I enter the VFGPA property, and sign out when I leave so that:

- 1 ...my \$3,000,000. liability insurance will be valid;
- 2 ...if I meet with personal harm, someone will search for me if I haven't signed out;
- 3 ...my executive will not have to pass more & more regulations that restrict my freedom;
- 4 ...my executive will not have to raise membership fees in order to pay someone to enforce these new regulations – or even the ones that currently exist.

I RESOLVE...

-to wear eye and ear protection at the range as required so that I:

- 1 ...keep my insurance valid;
- 2 ...indicate to newcomers – especially children – that Club rules are to be respected and followed.

I RESOLVE...

-to raise the range flag before I enter a range, and lower it if I'm the last to leave so that:

- 1 ...if I'm missing, searchers will know to check first where there's a raised flag
- 2 ...others will know eye & ear protection are needed, plus a heightened level of awareness;
- 3 ...I do not risk being the cause of our range being shut down by a Federal Range Safety Inspector, since proper flag protocol is part of the Federal Range Safety Regulations
- 4 ...I will avoid the risk of having my VFGPA membership suspended.

I RESOLVE...

-to consider the medical needs and personal comfort of fellow members, by:

- 1 ...not smoking near a group, or in a shelter, even though provincial law does not apply, since a shelter is not a "building" per se.
- 2 ...keeping my four-legged family member(s) leashed or confined, since some people are afraid of – or allergic to – animals. (Pythons, ostriches, & pet spiders, aren't exempt)

I RESOLVE...

-to carefully guard my key to the Multi-Purpose Range and to return it if I cease to be a member of the Club in order to:

- 1 ...retrieve my \$25 deposit;
- 2 ...spare the Club members the unnecessary expense of new keys rather than recycling the ones already purchased.

I RESOLVE...

-to keep my Authorization to Transport (ATT) valid by ensuring that my VFGPA membership is up-to-date because:

- 1 ...without a membership, my possession of my firearms is illegal;
- 2 ...transporting them is illegal.

B.C. Wildlife Federation Notes

The B.C. Wildlife Federation has a membership of about 38,000 people and is the largest group in the province representing the citizenry to government in terms of wildlife and habitat conservation and management. The Federation also plays a significant role in providing the impetus for those with an interest in outdoor activities to actually experience the outdoors.

Becoming An Outdoor Woman (BOW)

This program has an international scope in offering to women the opportunity to learn about and experience a wide variety of outdoor activities. Women's interest and presence in all aspects of outdoor activity not only provides a focus for the lives for themselves and their families but is paramount in the drive to preserve and enhance all that is the natural environment.

For the year 2012 the BOW program will be offered at Lake Cowichan from June 01 to 03. To attend one must be 19 years or older. Within each of the broad categories of fishing, shooting and hunting, and outdoor recreational skills, a variety of courses will be offered. One pre-selects the courses wanted.

The BOW weekend is offered as an all-inclusive package. Visit the BCWF website for details.

Outdoor Passport

The BCWF has put considerable thought and effort into creating a means whereby its members can access private lands or cross private lands to access crown lands in following their outdoor interests.

To qualify for a passport one must take a course and write an exam. To write the exam one must be a BCWF member.

This program was started in the Interior and, as far as I know, has yet to take hold on the Island. Hopefully, our time will come.

BCWF AGM 2012

For the year 2012 the Annual General Meeting will be held in Courtenay from April 25 to 28. This convention typically is very well organized and offers an exposure to the impressive depth and range of the activities and goals of individuals and clubs that are the BCWF.

Lottery

The BCWF is conducting a lottery to raise funds for conservation projects throughout the province in partnership with BCWF member clubs. There are six prizes ranging from a 2011 Yamaha Grizzly 550 ATV to a \$500 gift certificate from Italian Sporting Goods. Ten thousand tickets will be available at a cost of \$10.00 each. One must be 19 years + to purchase a ticket.

Prawn Closures

If your prawn fishing takes you away from SE Vancouver Island the following sub-area closures have been announced:

Nanaimo	17-13,15
Quadra Island	13-12,16,17
Lund	15-2,3
Malaspina Strait, Lower Jervis Inlet	16-1,2,10,16,17,18
Narrows, Salmon Inlets	16-7,8
Alberni Canal	23-1
Tahsis/Tlupana	25-1,8,16

Halibut

The Pacific Halibut Commission has announced the recommendation that harvest for 2012 be reduced by 1,000,000 pounds. To maintain the public harvest during 2011 would require the public quota being increased to 15% of the total allowed harvest.

Merry Christmas and Happy New Year

Bob Macdonald

**MALAHAT MARAUDER TURKEY SHOOT NOV. 27 & 27**

The black powder Turkey shoot was hosted by the Malahat Marauders on November 19. Eighteen shooters took part, and with twenty prizes available, and a number of draws, most went home with something. Our renowned chef, Perry, came up with a fine lunch included in the entry, and some stayed on for a potluck dinner. A brave few camped over the two nights, so there was some socializing on into the evening as well. The shotgun event was scheduled for Sunday, but all present decided that it was just too d___ rainy for that, so the prizes were drawn for. As usual, many thanks to those who did the work.
