Victoria Fish & Game 2013 Game Dinner

Well, I have some good and bad news for all about our club's 2013 Game Dinner which will be held on March 2nd at the Olympic View Golf Club on Latoria Road again. After announcing that I was drafting a "pre-sales" list for our Game Dinner tickets at the club's December "Christmas Social Meeting" at Strawberry Vale Hall, and then making a few phone calls and sending some emails to the ticket holders from last year's event we are now totally sold out (all 200 tickets) and we have a "cancellation" list started. (Last year's event was a huge success and it also sold out early, so many people had contacted me early this year to ensure that they booked tickets for this year's event.) I am truly sorry that we cannot accommodate more than 200 diners for this year's event, but the venue is limited to that maximum number and we are very hesitant to move the dinner to a new location. Olympic View have been terrific hosts to us, and Mel O'Brian (their head chef) and his capable kitchen crew have served us amazing dinners every year.

If you didn't already talk to me about Game Dinner tickets at the December Meeting, or by phone or email, and you haven't already arranged for your "pre-sale tickets" for this year's dinner you could still contact me and have your name added to our "cancellation" list just in case any of the pre-sold tickets are cancelled and become available before the event in March. You can reach me by phone at 250-388-0705 or email me at lapage@telus.net to arrange to be added to our ticket cancellation list.

Having said that and whether you will be attending the dinner or not, we could still use your very generous contributions of game meat or seafood to be used on this year's dinner menu. We would appreciate game meat of any type, with roasts in the 10 pound range being ideal for the chefs to cook for a large group such as we will have. Stew meat or ground meat would also be gratefully accepted for use in "Shepherd's Pie" and other similar dishes. Last year's menu included various preparations of Moose, Elk, Caribou, Cougar, Fallow, Mule and Whitetail Deer, Salmon, Halibut, Prawns, and Oysters, and we are hoping to repeat most of those offerings and possibly add a few more.

If you would like to make a donation of goods or services to add to our prize pool for this event we would love to hear from you too. This year's prize pool is shaping up to be even better than last year's event, with 3 Thompson Center rifles in our "Top Gun" raffle draw, a variety of general, outdoors, fishing and hunting related goods (valued at thousands of dollars so far), plus an archery package. This year we will have another 50/50 cash draw (which totaled about \$600.00 to last year's winner), plus our "Top Gun" rifle draw (with 3 separate draws for 3 separate TC rifles), plus some dinner ticket number draw prizes, and our regular raffle ticket "Bucket" prize draws. This is the VF&GPA's largest fundraising event for the year and thanks to the generosity of last year's prize donors and to the enthusiasm of last year's dinner attendees we ended that dinner with a net profit to our club of over \$5,000.00!

I'll keep you updated in next month's Bulletin as to how our Game Dinner is progressing ...

2013 Game Dinner Chairman, Al Page

**B.C. Wildlife Federation Notes****Kid's Camp**

This year Kid's Camp will be held in Courtenay at the Courtenay Fish and Game Club.

The dates are July 22 to 25, 2013 and the camp is open to any child of a VFGPA member between the ages of 10 and 14. The camp is free but parents must arrange transportation to and from Courtenay. This camp is very well run and has proven to be a valuable experience for any who have attended. If interested please notify me.

Access

Some positive news on this front. Timber West allowed hunters to go into the Nanaimo Lakes on October 13 and 14 to hunt. Lets hope that the hunters who took advantage of this opportunity fully respected Timber West's property and left it as they found it -

or better. A thank-you to Timber West.

Wilderness Watch

Wilderness Watch is a volunteer program within the BCWF whereby concerned people can become involved in a direct and supervised way in the protection of B.C.'s fish, wildlife and habitat. One of the many benefits is helping to ensure continued access to lands in the pursuit of hunting, fishing, camping and other outdoor activities – in particular on private lands.

For more information go to the BCWF website and look under programs.

Conservation Lottery

The annual Conservation Lottery has been launched and will run until May 31, 2013. Proceeds from this lottery will be used by the BCWF to support activities throughout the province focussed on conserving B.C.'s fish, wildlife and habitat resources.

There are 7 prizes with the top 3 being:

1. 2013 Yamaha Grizzly ATV (\$12,500.)
2. \$3000. cash
3. Scorpion Optics kit – includes a rifle scope, binoculars and range finder (\$1100.)

Tickets are \$10. each and the maximum number available is 10,000.

Those wishing tickets please contact me and I will order them from the BCWF.

Cheers, Bob Macdonald

NEW YEAR'S DAY TRAP FUN SHOOT & POTLUCK LUNCH

On New Year's Day, Ward Bond and Darren Wright from Island Outfitters held their traditional staff, family, and friends "Trap Fun Shoot and Potluck Lunch" on the Trap range and in the main clubhouse. They hosted 41 shooters who shot about 3,400 clays over the course of the day, plus a few spectators and invited luncheon guests. It was great to see some younger folks up on the line shooting some clays, and the shooting participants ranged in age from about 10 years old up into the mid 70's.

Our sincere thanks to all of the volunteers that helped out with this event (on a wet, cold, and snowy day I might add) which included Ward Bond, Darren Wright, Chris McCabe, Steve Minkler, Murray Kilshaw, Robin Pike, Steve Byatt, Jeremy Osborne, Elliott Williams, Ian White and Al & Laurie Page. Our thanks also go out to Perry Chow, Ward Bond, Shannon Bond, Darren Wright and Dana Wright for preparing and serving us all a hot and delicious potluck lunch. The lunch offerings included roasts of Fallow Deer, Mule Deer and Moose, chili, game meatballs, plus a variety of side salads, side dishes and WAY too many decadent desserts (with our further thanks to all the attending folks that brought along many of those extra dishes!).

**Elk Lake Navigational Buoys****From :** WAYNE ZACCARELLI <whz@shaw.ca>

Mon, Nov 12, 2012 11:25 AM

Subject : Elk Lake Navigational Buoys**To :** tim mccann <tim.mccann@tc.gc.ca>

Hello Tim:

I have just read the draft minutes of the September 13 meeting of the Elk/Beaver Lake Recreational Use Advisory Group. I, and the members of the Amalgamated Conservation Society, are concerned about the following statement under New Business. "R. Olsen stated that the navigational buoys had been moved significantly and that he attempted to inform the Office of Boating Safety. He finally was in touch with Tim McCann who stated that he would be contacting Regional Parks."

I visited Elk Lake on November 08 to follow up on complaints I received regarding rowing courses on the lake. A sign at the lake noted Rowing Canada National Championships November 09-11. However, I did note that many of the navigational buoys appeared to have been both moved and removed.

As you probably know, this has happened many times over the years and has been raised at the EBLRUAG and by myself in letters to the various authorities. The Victoria Rowing Society and Rowing Canada have specifically been warned about this and informed that this will no longer be tolerated. And yet, it continues unabated. There seems to be no deterrents to prevent these people from deliberately defying instructions, permits, regulations and the law.

Our members are concerned that the area enclosed within these buoys appears to be shrinking over the years. I can remember this area being noticeably larger twenty years ago. We are therefore concerned that these buoys are not being replaced in the correct positions, not by error, but by design.

Have you contacted Regional Parks yet and what were you able to determine regarding this situation? The ACS would like to know what is going on here.

Yours truly,

Wayne Zaccarelli,
Secretary-Treasurer,
Amalgamated Conservation Society

CRD UPDATE

Mr. McCann indicated in his response that he was hoping to visit the lake and talk to CRD Parks in the next few weeks. As of January 06, he had still not followed up on the complaint. He could have talked to them by phone from his office but he has not even done this. He did indicate that CRD Parks was under reorganization and that they were looking for a new chairperson for the Elk/Beaver Lake Recreational Use Advisory Group. A meeting of the Advisory Group, originally scheduled for November 30, did not happen. My correspondence on the page before was sent to them with a request that it be included on the agenda of the next meeting.

**BIG GAME COMPETITION / RECORDS BOOKS**

Blacktail deer antlers from deer taken during the 2012 hunting season within Region 1 (Vancouver Island) will be accepted until January 31, 2013 for entry in the largest antlers competition.

Entries for the Black bear trophy (skull only) will be accepted until January 31, 2013 as well. Again, this is for bears harvested in Region 1 during the spring and fall 2012 hunting seasons.

Trophy winners for all categories will be announced in the club newsletter prior to the annual general meeting in March, at which time trophies and buttons will be presented.

Copies of the eighth edition (2010) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$5 each. The issue contains a brief history of the records which were started in 1972 by Byron Mason and Charles Veasey. Byron has written another excellent article on the history of hunting on Vancouver Island from 1900 to 1920. The previous seventh edition (2000) contained Byron's piece on Blacktail deer populations and hunting on Vancouver Island from 1843 to 1899.

The current records list 1824 entries scoring 100 or more Boone & Crockett points. Several old hunting photographs have been reproduced for the first time in the records booklet.

The most recent sixth edition (2010) of the Big Game Records of British Columbia is available for \$35 each. These are hard cover books containing records of all native big game species in B.C. Hunting stories, photographs and a listing, by species category, of entries meeting the minimum score requirements, are included.

Copies of previous editions are also available as follows:

1 st edition (1970 - reprinted 2011)	2 nd edition (1983)
3 rd edition (1988)	4 th edition (1995)
5 th edition (2003)

JULIA 11 MONTH OLD FEMALE GERMAN SHORTHAIRED POINTER PUPPY
KEEN TO HUNTING

Lizzie Jatkowski still has one German Shorthaired Pointer puppy left from her last litter. "Julia" is an 11 month old female that is very keen to hunt and truly deserves a good hunting home. She'll need some more hunting training, but she always has her nose to the ground looking for a scent.

Originally she was asking \$1,000.00, but Lizzie really wants this beautiful dog to go to a deserving home so she is very negotiable on the price and will even consider a trade of services or goods instead. Call Lizzie at 250-474-2493 for more details or to arrange to go and see "Julia".

LIFETIME, FULL-PRIVILEGE MEMBERSHIPS TO PREMEIRE U.S.
FIREARMS TRAINING INSTITUTE.**

Hi again ya'll....., **GOOD NEWS!** I have secured a direct source for these memberships and they will be available in mid to late January. The rules state I'm not allowed to mention this organizations' name in ads, but you've probably heard of them - they're just an hour east of Las Vegas, Nevada, have hundreds of ranges on a large property, and train thousands of shooters a year. Their focus is tactical and you can train with handguns, various rifles (including scoped), various shotguns, select-fire M-16's, Uzi submachine guns, and others. Many of their members/trainees are from law enforcement and military, and they attend because the training far exceeds what they get in their own units and detachments.

Their 2 day courses normally cost \$1000 and their 4 day courses \$2000. Kind of pricey. The memberships I'm offering will entitle you to attend any of their courses for as many times as you like for the rest of your life for a one time cost of \$300. They offer these extraordinary deals because the owner is a millionaire many times over, is an ardent Second Amendment supporter/activist, and is on a mission to grow his organization and train as many citizens as possible in the safe and efficient use of firearms.

Give me a call in Victoria (778-433-5404) or e-mail (lawfor@shaw.ca), and I will give you their website and the number to call to verify who I am, and the memberships I own. When we make a deal, one (or several) will be transferred to you - a simple process with about a 10 day turnaround from the time I e-mail them with the transfer request to the time you get an e-mail confirming you as a new member - from this point on you can register for courses on-line. By the way, if you don't want to transport your own guns across the border for courses, they have an extensive ProShop where you can rent (very reasonably) any gun and all the ammo you need for any course. Also, check out Allegiant Air for some great deals from Bellingham to Nevada direct.

So how 'bout it? Up for some shootin' down in the good ol' U. S. of A.? Make a summer holiday of it, or get out of here for a week or two during our long dark winters, or.....?

Don't know about you, but there's an Uzi down there with my name on it - maybe one for you too?

I look forward to hearing from you.

Lawrence
