JULY 2013

Editor & Publisher: Jodi Sturgill

President Message

Hello Everyone,

If you missed the news there is a Firearms Amnesty taking place in June in the Province of BC. Any unwanted firearms and ammunition can be surrendered by calling your local Police Dept. and they will arrange to pick it up. If something you want to get rid of is unregistered, illegal (but hasn't been used in a crime) you will not be charged.

The first BC Weapons Amnesty in the Province of BC was held in 1997 and I was the Coordinator for that one, seconded from the Corrections Branch for 7 months. There has been 2-3 amnesty's since then in the Province collecting ammunition, firearms, weapons anything you want to get rid of or prohibited items you are not allowed to possess in Canada (Mace, Slim Jims, brass knuckles, switch blades, metal throwing stars, silencers, etc).

If you have something with significant historical or collecting value you may want to think of donating to a museum, collector, or a firearms owner licensed for that type. Of course all transfer involve paperwork but its easy just call 1-800-731-4000 toll free. That also applies to any other legal firearm, rather then the gov't destroy them give it to another licensed firearms owner.

On a more negative note, I only like positive, I must mention a reminder: Your Club Executive/Directors are Volunteers just trying to help out! You may not want to get involved in running the club but someone has to. When dealing with fellow Club Members and Directors it is OK to disagree with them but you must be RESPECTFUL and CONTROL YOUR TEMPER WHILE DEALING WITH THE ISSUE.

BEING RUDE, CALLING NAMES, PERSONAL ATTACKS will not be tolerated, investigations will be conducted and actions taken with consequences. Trust me no one wants to go there but it is one of your Boards Responsibilities and it will be done.

To end on a positive note, summer is almost here, enjoy the weather, have a good one.

David Michaud
President

TRAP SHOOTING HISTORY

OK, so how about a little bit of Trap shooting history? Did you know that in the mid 1800's they organized shotgun competitions with the competitors shooting at real live pigeons or blackbirds?

Originally the birds were "trapped" below the shooter's stove pipe top hats which were pulled off with a string to release the "birds", but this soon progressed to the use of a dedicated wooden "Trap" to release the live birds.

When the use of real birds became politically incorrect (and it also became hard to get enough pigeons for a big shoot!) they switched to round glass, hand blown "target balls" of about 2 5/8" diameter which were thrown into the air from the arm of a spring loaded "Trap".

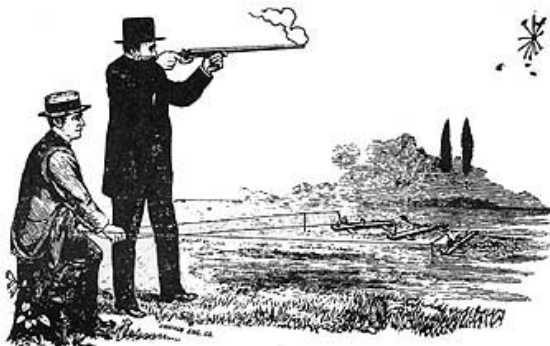

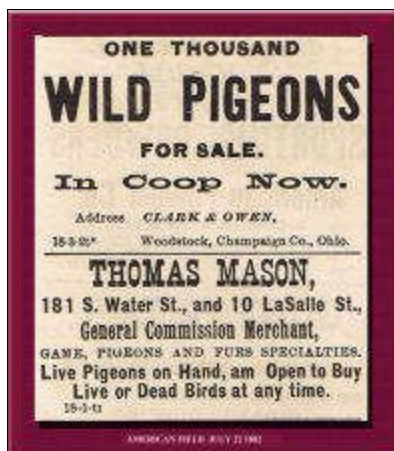

"Doc Bogardus" was the patent holder of the glass target ball in North American and also one of the world's best shots when it came to breaking them! The problem with glass target balls though was the large amounts of broken glass that were left behind after a big shoot, so then the logical progression was made to use small, round clay balls of about 2" diameter which were invented and sold by a Mr. Chamberlain.

Then, just after the turn of the century George Ligowsky invented the "Ligowsky Clay Target", a round, flattened terra cotta clay target very similar to today's Trap and Skeet targets.

Eventually it became the most popular design of shotgun target, but the material was improved by the use of "clay" to produce the targets rather than using terra cotta.

So now you know ...

Will your retirement savings last your lifetime?

Now that you're retired, do you wonder how much of your savings you can afford to spend each year? You want to get the most out of retirement but, don't want to run the risk of outliving your money.

There's plenty to consider.

- ▶ What's your retirement income?
- ▶ Which expenses are essential and which are discretionary?
- ▶ What's your age? How's your health?
- ▶ What are your plans for your money?

Let's talk about growth potential, tax-efficiency, guarantees on your capital and innovative payout strategies. If you're unsure where you stand financially, I can help.

THANK-YOU!! SVI Rail Link!!

We would like to thank Al Kutaj & Bryon Reed from South Vancouver Island Rail Link, for their generous contribution of metal railroad track to our Range so that we can update & complete the target stands on the Rifle Range.

Group of Companies

Notice to All Shooters Black Powder Saturdays

The range will be in use by Black Powder until 2:00 P.M. on those days. In the past the BP shooters have finished with the range early and have invited others to take over. This practice will still be in effect, But do not count on having access before 2:00 P.M..

JUNIORS GROUP NEEDS PHONE BOOKS

The New phone books are out! Don't know what to do with your old ones?

If anyone has extra or old phone books please hand them in at the range for the Junior Group. They can also be dropped off at any of the General Meetings, as well as the range. They are great for kids to sit on while aiming or as backstops for the targets.

Thank you,
Editor, Jodi Sturgill

Hello Folks,

This month **Leia Calwell**, VWSC Internal Communications Liaison attended an introduction to Cowboy Action shoot with a few VWSC members.

Leia writes:

For those that attended the Cowboy Action Shoot, we had a absolute blast and are very grateful to the **FRONTIER SHOOTISTS** of Victoria for hosting us. I loved their costumes and shooting a series of targets while being timed was a thrilling new experience for me! On behalf of the **VWSC**, I want to extend a HUGE thank you to **Haweater Hal** aka Al Wilson, **Victoria Diamond** aka Joleen Wilson and **Neut Reno** aka Terry Bowyer, for sharing with us their time, expertise and patience, as well as their firearms.

If anyone else is interested in attending one of their events, they are held on the second Sunday of most months. If you would like to participate, please contact **Black Ashley** aka Ashley Harrison (ash_man@shaw.ca) or **Haweater Hal** (haweater.hal@gmail.com) so they can arrange for extra ammo and guns. Please check out the Frontier Shootists of Victoria website for more details at: http://www.sassnet.com/clubs/Clubs_detail.php?Victoria-Frontier-Shootists-596

SPECIAL RECOGNITION

As **VWSC continues to flourish with many new vibrant female members, we would like to particularly show recognition to three key members who have provided consistent support to us throughout this past year.**

WARD MORAN, co-owner of  sporting goods has generously donated a variety of prizes and ammunition to not only many of the VFGPA events and Island Outdoor Discovery Day, but also to **VWSC** shooting events. On June 29th, **VWSC** will host their first .22 Rimfire Fun Match, which Ward has provided us with .22 'Hot Shot' single shot rifle in Pink Camo; a Winchester wall clock; three Winchester advertising signs; two Dri-Duck Winchester jackets as well as Winchester logo water bottles and Thompson Center camo ball caps! We are ever so grateful for your continuous generosity, Ward! Thank you! Thank you! Thank you!

MYRNA PROULX, of  not only has attended several of our shooting events and functions, she has acted as a representative for **VWSC** at both the Victoria Women's Health Show and Island Outdoor Discovery Day, which she will graciously do once again this month. In addition, Myrna has also designed our **VWSC** logo and several items for our display table at these events. If anyone is looking for a person to do graphics or website design, branding or ad campaigns, Myrna Proulx is your gal! Thank you Myrna for your creative expression and dedication to the club!

AL PAGE, was a long-time gunshop employee for Island Outfitters and not only spends his retirement years driving the hottest Mustang in town, but is well known in the **VWSC**. Al has spent numerous hours mentoring and helping women to shoot; has taken several photos for our members; helps out at a majority of the events; posts regularly on **VWSC** Facebook pages and makes sure the ladies are well fed with all his baked goodies that he brings to the events. Al is currently organizing the entire **"THINK PINK" .22 RIMFIRE FUN MATCH** for all our lady members because he knows how hectic our lives can get and wants to make sure we endure some fun. Thanks Al for all that you do!

Sincerely,

Alison Walker

Executive Director
Victoria Women's Shooting Club

Range Update; Recent Rifle/Pistol Range Improvements.....

Your Volunteer Board of Directors has been working towards expanding each of our facilities.

You will now have noticed that our Rifle/Pistol Range has an extended 25 yard line, an extended 50 yard line, an extended 100 yard line, and also a new 250 yard line, to complement our existing 200 yard line.

We also now have a full complement of shooting tables for our members to use at the firing line, to bring the total up to 31 shooting tables.

The preparation and planning of these improvements has been ongoing for the past year. Site preparation and ground-work were performed earlier in the year.

New 50 yard line Concrete wall

We were able to install the concrete work during the range closures of May 7, 8, and 9th, with more groundwork performed on Saturday, May 11th. This greatly expands the target locations that members can use on the Rifle range, and will help ensure that everyone can shoot at multiple distances while keeping the direction of fire straight ahead, with no cross-firing.

While there were many people involved in the building process, we need to thank Dave Metcalf and Keith Melbye for their volunteer work.

New Target holders at 250 yard line

In particular we need to thank Life-Member Art Archer for his Volunteer work throughout the process. Art was always the first person to arrive in the early mornings, worked hard during some long, hot days, and was also the last person to leave in the evenings. This was in addition to the usual work that Art does, such as keeping the supply of firewood stocked, among his other many volunteer contributions. Without members like Art, the remainder of us would not have the facilities that we all enjoy and use. Thanks also has to go to member Trevor Tremblay of the Jacob Bros. group, who have been providing machine time at no cost to the range. Please be courteous to Jacob Bros. as they improve the highway to our range.

New and extended 100 yard line

Range Update; Recent Rifle/Pistol Range Improvements, and Range Rule Changes.....

With the addition of the 22 Silhouette target stands and sand backstops, we have had to add an additional rule to our Range Rules.

New Range Rule #8 for the Rifle/Pistol Range reads;

- The left side of the range is set up with four sets of metal target stands with sand berm backers held by wood backstops. This is for 22 rimfire silhouette match and practice ONLY. No centre-fire ammo is to be used.

Please Respect this rule and do not use any centre-fire ammunition when using the 22 Silhouette facilities. The wood sand backstop is to support the sand ONLY, and will not stand-up or last long as a bullet stop. Also, even if you are shooting a 22 rimfire, please DO NOT post any targets to the wood back-stops (for the same reason..... the wood will not last long). Please use the coloured metal stands to mount targets.

**Remember the Lesson from your P.A.L. course;
"Always be sure of your target...AND what is behind it!"**

SOUTH ISLAND ACTION SHOOTERS (S.I.A.S.)

The South Island Action Shooters (secretly known as S.I.A.S) is alive and well. The last few matches shot on the Multi Purpose range have been well attended and have actually run past our four o'clock shut down time.

The new "Sign In" booth has been well accepted but occasionally in conversation with some folks they ask "What sign in booth". Believe me it is there, please use it. It is a helpful tool to the RSO. Next club match will be held June 23 .

Come on down, all our welcome.

Submitted by Dave Gerow

Why get your house painted by a professional?

Painting your house is so much more than just a cosmetic touch to your home. Paint is the first line of defense against all the elements of nature. Loose or peeling paint will result in moisture getting through to your wood and will eventually let it deteriorate over time and cause more unwanted issues.

Getting your house painted professionally will allow you to be confident everything is done right from beginning to end. We will ensure that everything is properly primed and sealed to make sure that everything is properly protected from all the harsh elements of nature.

We stand behind our work. With great customer service and quality workmanship, A.B. Painting Services is the right choice for any of your painting needs.

Call Us Today For Your Free No Obligation Estimate

**BIG GAME COMPETITION / RECORDS BOOKS**

Copies of the eighth edition (2010) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$5 each. The issue contains a brief history of the records which were started in 1972 by Byron Mason and Charles Veasey. Byron has written another excellent article on the history of hunting on Vancouver Island from 1900 to 1920. The previous seventh edition (2000) contained Byron's piece on Blacktail deer populations and hunting on Vancouver Island from 1843 to 1899.

The current records list 1824 entries scoring 100 or more Boone & Crockett points. Several old hunting photographs have been reproduced for the first time in the records booklet.

The most recent sixth edition (2010) of the Big Game Records of British Columbia is available for \$35 each. These are hard cover books containing records of all native big game species in B.C. Hunting stories, photographs and a listing, by species category, of entries meeting the minimum score requirements, are included.

Copies of previous editions are also available as follows:

1st edition (1970 - reprinted 2011)2nd edition (1983)3rd edition (1988)4th edition (1995)5th edition (2003)
