ACCESS ANNOUNCEMENT

We are excited to announce that Timber West has granted us access to their properties on Southern Vancouver Island through the Butler Main (Sooke) and Kapoor Main (west of Shawnigan Lake). Note, the two gates connect - you can travel through.

We plan to have the gates open for the hunting season as follows: Nov 14 & 15; Nov 28 & 29; and Dec 5 & 6.

We plan to have the gates open at the following times on the planned dates:

- ** Start of Day:** from two hours before sunrise to one hour after sunrise;
- ** Mid Day:** from 1100 to 1300 hours;
- ** End of Day:** from one hour before sunset to two hours after sunset.

We will have a different schedule in the New Year.

We have arranged with Shadow Security to man the Butler Main Gate and we will open for additional weekends if we can get volunteers. Terrance Martin is our volunteer coordinator for this gate. He can be contacted at a5a14040@telus.net - please contact him to volunteer.

The Kapoor Main Gate will be primarily staffed with volunteers. Steve Hornick is our volunteer coordinator for the Kapoor Main Gate. Please contact him at shornick@shaw.ca to volunteer. We will open for additional weekends if we can get sufficient volunteers.

Access will be granted to all members of the public. We will also be recording the vehicle license plate number, time in and out, purpose of access and harvest result (if applicable) (information to be recorded is subject to change).

No ATVs or unlicensed motor vehicles will be allowed access.

Your help is needed to make this program a success. Please be responsible users of the resource, and please volunteer so we maximize our opportunity to use this marvelous resource and keep it open for future generations.

On page 22 is the direct to the Facebook event scheduler that will allow Facebook users to sign up for entry or invite others.

The Orientation Presentation (about 2 hrs) on the first Wed. of every month at 7PM and usually one Sat. and/or Sun. at 2pm.

We are doing the Holster Course and Handgun Essentials Course once a Month (usually on Sun.) but some Saturdays would be good as well.

In Memoriam: Chris Archibald: 1957 - 2015

On Sunday, October 11, 2015, the South Island Action Shooters lost a leader and shining example of commitment to the shooting sports, Chris Archibald. He passed away suddenly and unexpectedly during the Thanksgiving Weekend. He is survived by his partner Jodi, and three children.

This was sad news regarding a dedicated and involved club member. Chris Archibald was an integral part of the Island shooting community. He was a mentor to many shooters both new and experienced and was always happy to share his knowledge with others. He was a keen observer often approaching you later to offer advice, which was always worthwhile and constructive.

As a member and top ranked shooter of the BC Section of the International Practical Shooting Confederation he travelled often to shoot qualifiers all over the Province. Chris represented Vancouver Island on the Board of Directors for IPSC BC. His presence, advice, help, and enthusiasm will be sorely missed.

Victoria Fish & Game Protective Association Game Dinner Fundraiser 2016

Is

Looking for DONATIONS

This year I am looking for unique hunting/fishing/gathering prizes that will help raise money for conservation, club projects, youth shooting and more.

I have come up with some pretty neat ideas for prizes but of course I need the members and non-members help in making this yet again a successful event.

For one prize, I am asking members if they would like to donate a bottle of liquor. This prize is called the Wheel Barrel of Gold. (wheel barrel full of different types of liquor) Now who wouldn't want to walk away with not only a handy tool but also tons of friends who may follow you home that night☺

I am personally donating a couple jars of apple pie moonshine so please come up to our club and donate a bottle of your favorite liquor or that bottle that is collecting dust in the back of your cabinet.

I am also looking for all types of game meat and exotics. Even raccoon and squirrel are also welcome. If you would like to donate and need to empty out the freezer for more harvested game this season, swing by the Victoria Fish & Game Club and one of the caretakers would gladly place it in the freezer for you. Let's make the game dinner fundraiser 2016 a night to remember.

Thank you

Angela Long-Greene
Assistant Caretaker – Game Dinner Organizer

Don't forget that on November 1st, game dinner tickets will be available for purchase at two locations.

VF&G Archery Update

There have been significant changes on the archery range this fall.

- All the field butt stands are at the standard distances as per Archery Canada regulations and they are roofed
- The broadhead pit is operational
- We have 4 new Bulldog Targets, two 4 feet square and two 2 feet square in the process of being set up. They are high quality targets and are expected to last a long time. Things to note:
 - Roll the UV cover up before shooting, tuck it on top – pull down when done
 - No Broad heads, blunts or damaged points – Sharp field points are best
 - Targets can be attached with a staple gun – please remove redundant old staples
- New trail from the lower parking area to the clubhouse
- Tire berms are a work in progress

Thank you to all the hard working volunteers who have made this happen

VFGPA FIRED RANGE BRASS PROGRAM

Since Art Archer has been chairing the club's fired range brass program for about 10 years now I've offered to give him a well-deserved break and I will now take those duties over from him. (Maybe now he'll actually get a bit more time to go up to the club and SHOOT a bit more?)

Art has put a TON of work into this program over the years and spent countless hours sorting out buckets and buckets of brass from the dirt and scrap paper mixed in with them and then sorted them again by calibre and brand to offer them to our club members that reload at rock bottom prices. (Try and find rifle calibre commercial brass cases for reloading at 10 cents a round anywhere else ...) The .22 rimfire brass, "mangled" brass, military brass, and berdan primed brass cases were also separated from the reloadable brass and taken down to a local scrap yard to be sold as scrap brass.

Under Art's ongoing chairmanship of our very successful fired range brass program the club has received many thousands of dollars in additional revenue and we definitely owe Art a HUGE vote of thanks for all of his efforts over the years. Many thanks again Art and we sure hope that you enjoy getting a bit of a break from the range brass chores.

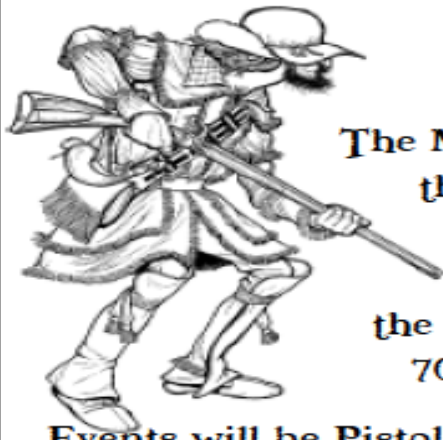

I'm planning to keep an ongoing computer inventory of the range brass as an MS Excel database and I can email that list to any of the members who are interested in what we might have available for sale. I'll edit the list as we sell the brass and as I get more in from the range to add to the file and then I'll send the edited list out to everyone on a regular basis. If you'd like me to add you to that email list please send me an email with "range brass" in the header and I'll add you to our brass subscription list. (I'll be sending these emails out as "BCC's" so your email addresses will not be shared with others which should help prevent any SPAM emails.)

We get fairly large quantities of 9mm, .40 S&W, and .223 Remington brass and it often "stacks up" to the point where it quite often ends up going to the scrap yard. With that in mind, we're going to drop the price on those particular calibres down to 5 cents per round (\$25 per 500 / \$50 per 1,000) to help keep them moving faster rather than scrapping the excess quantities we often have on hand. All other regular and magnum rifle calibres will remain at only 10 cents per round which I feel is still very reasonable these days considering the cost of buying new brass ... if and when you can find it! 2015 Vancouver Island Combat Championships

The 39rd Annual Edition of the Vancouver Island Combat Championships was held at our range on the Thanksgiving weekend of October 10 & 11th. This is a two day PPC event, and this year we had 30 competitors from BC, Alberta, and the USA in attendance. Once again the event was a success, with all competitors having a fun time while renewing old friendships and making new ones. Even the weather cooperated, as it was dry for most of the match! We also had an encouraging number of newer shooters at the match. It was good to see some healthy competition in the Marksman, Sharpshooter, and Expert Classes.

Congratulations to the winner of the 1500 PPC Event, Dom Piluso, a local club member! Also congratulations to Mark Horsley, a guest from Vancouver, who won the Duty Pistol Event.

Thanks to all of the people that contributed by volunteering their time to work at the match; Mark Fournier & family, who formed the kitchen crew; Gerry Vaux the Match Director; Mike & Maria McEwan and the statisticians; Dave & Chad Becker & the range and line officers; Our Chief Range Officer, David Michaud; and to all of the volunteers and everyone else who contributed to making the match a success!!

SAFETY REMINDERS--PLEASE READ

FIREARMS--CASES--BENCHES

- * Firearms are to be cased and uncased ONLY during Live Periods and preferably only at the Firing line (forward wooden benches) Actions open, Magazines removed (empty cases can be returned to rear gear tables)
- * Firearms are to be Loaded and Unloaded ONLY on the Firing Line (forward wooden shooting Benches)
- * Muzzles are always to be pointed down range or upwards.
(magazine may be filled or emptied at the rear gear benches and tables).

“CEASE FIRE” ROUTINE/PROCEDURES:

- * Remove ammunition from the Chamber. Remove magazines from the action
- * Leave actions visibly open-(a chamber flag helps visibility!)
- Then- **Your Choice:**
- * Leave firearm(muzzle pointed down range, magazine removed, action open) on FIRING LINE bench.

Or

- * Carry firearm muzzle up and place in rear wall rack- magazine removed action open.
- * Remember to take needed targets, tape, stapler, beverage, etc. with you when leaving the shooting bench area for the Cease Fire Period. (An RSO can retrieve forgotten items.)
- * During a Cease Fire DO NOT go within 3 metres of the firearms on the bench or handle firearms on the racks(Remember your P.A.L. Course). Do not touch anything on your shooting table. (An RSO can retrieve forgotten items).
- * During a Cease Fire the divided concrete slab area around the shooting benches is to be used to walk through only on the way to your target and back. Please remain off the shooting table area concrete during cease fire periods.

Safety Tip

Each Range has a Perimeter Flag. If the Red Flag is in the UP position that is a indicator that the range is active. Even if their is a cease fire shooting can start at anytime.

It is a good idea to put your Hearing Protection on at the Perimeter Flag before you get to the active range. (Range Rules require that hearing and eye protection be worn on the Ranges.)

The Federal Licensing Course suggest you wear both in ear and outside ear protection, another option is the "Electronics Earmuffs" Good Christmas List need item.

Once your hearing is damage it cannot be fixed and it does not repair itself.

BIG GAME RECORDS BOOKS

Copies of the eighth edition (2010) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$5 each. The issue contains a brief history of the records which were started in 1972 by Byron Mason and Charles Veasey. Byron has written another excellent article on the history of hunting on Vancouver Island from 1900 to 1920. The previous seventh edition (2000) contained Byron's piece on Blacktail deer populations and hunting on Vancouver Island from 1843 to 1899.

The current records list 1824 entries scoring 100 or more Boone & Crockett points. Several old hunting photographs have been reproduced for the first time in the records booklet.

The most recent sixth edition (2010) of the Big Game Records of British Columbia is available for \$35 each. These are hard cover books containing records of all native big game species in B.C. Hunting stories, photographs and a listing, by species category, of entries meeting the minimum score requirements, are included.

Copies of previous editions are also available as follows:

1st edition (1970 - reprinted 2011)

2nd edition (1983)

3rd edition (1988)

4th edition (1995)

5th edition (2003)

A new ninth edition of the Vancouver Island Columbian Blacktail Deer Records will be published in late 2015. Deadline for entries will be March 31, 2015. If you have a large set of antlers which could score 100 or more Boone & Crockett points, now is your chance to have it scored and entered. There is no charge for this.

**VICTORIA FISH & GAME ANNUAL BIG GAME COMPETITION**

Hunters are reminded that Blacktail deer taken in MU 1-1 through 1-13 by Victoria Fish & Game members are eligible for the five trophies available each year. Deer must be field dressed which means that the heart, liver and kidneys (edible portions) are the only internal organs which can be included when the animal is weighed. Deer must be weighed on Club scales by the caretaker or his designate.

The official weigher reserves the right to refuse weighing any deer which arrives in an un presentable condition. Lungs must be removed and body cavity wiped dry with a rag or paper towels. Deer 160 pounds and over taken with a rifle and 140 pounds and over taken by bow and arrow must be witnessed by an executive member at time of weighing. Please contact the Club caretaker/manager or Wayne Zaccarelli to make arrangements. Hunters are reminded that access to club facilities is restricted to daylight hours with the gate locked progressively earlier through the hunting season. Please ensure that you confirm the time gates are locked and show up at least a half hour earlier.

Trophies available include:

McIlwaine Van & Storage (est. 1955) largest deer / rifle
 Victoria Fish & Game (est. 1966) largest scoring antlers
 Robinson's Sporting Goods (est. 1970) largest deer / bow & arrow
 Bob Hollingworth Memorial (est. 1983) largest buck deer / junior member
 Malahat Marauders (est. 1990) largest deer / muzzle loader

Gold, silver and bronze buttons are awarded in both rifle and bow & arrow classes for deer in the following weight categories:

	<u>RIFLE</u>	<u>BOW & ARROW</u>
Gold	180 lb +	160 lb +
Silver	160 - 179 ½ lb	140 - 159 ½ lb
Bronze	140 - 159 ½ lb	120 - 139 ½ lb

In addition, the Victoria Fish & Game Bear trophy is awarded annually for the largest Black bear taken by a Club member. Boone & Crockett Club scoring is used to determine the largest entry. Boundaries are again MU 1-1 through 1-13.
