17th BC's Family Fishing Weekend June 17th – 19th, 2016

What is BC's Family Fishing Weekend?

BC's Family Fishing Weekend is a celebration of the great sport of fishing and getting outdoors. 2016 marks the 17th annual event weekend.

Each event is organized by dedicated groups in each community with help from the Family Fishing Society of BC. As well as encouraging youngsters to come out and fish the events are an excellent opportunity to share the importance of fish and their fragile habitat. The goals of the Society and of the event are to increase angler participation, promote BC's world-class freshwater and tidal (saltwater) sport fishery plus develop greater public respect and awareness for our outdoor resources.

The Family Fishing Society was awarded the National Recreational Fisheries Award by Fisheries and Oceans Canada in recognition of the long lasting and positive impacts of (re)introducing thousands of kids and families to recreational fishing in British Columbia. The Family Fishing Society of British Columbia was created in 1999 to encourage all British Columbians to take up recreational angling as a pastime and to enjoy British Columbia's world-class sport fishing opportunities.

The program offers two great opportunities to the public:

Try Fishing for Free: British Columbians are invited to try fishing on June 17 - 19, 2016, Father's Day Weekend, anywhere in the province or get reacquainted with a great sport. Freshwater fishing is **FREE** during the Family Fishing Weekend (June 17, 18 and 19, 2016 only) in many of the province's lakes and streams. BC residents can try angling within the rules and do not need to buy or carry a freshwater or tidal fishing license. The BC Government offers a complimentary 3-day basic freshwater licence valid only for June 17, 18 and 19, 2016. And, Fisheries and Oceans Canada encourages BC residents to try their hand at tidal (saltwater) fishing with a free tidal water fishing licence (certain regulations apply).

Special Community Fishing Events: During the Father's Day weekend BC residents can have fun by attending our popular community fishing events around the province. These events are **FREE** to attend and help people, particularly kids, learn about fishing, fish and conservation in a fun and relaxed environment. Expert volunteers on site help take the mystery out of the "how to" of fishing. Time and materials are provided by volunteers and companies that recognize the value of introducing young people and families to fishing and the outdoors. As mentioned, all the events are free and offer great opportunities to fish with loaner equipment or give-aways. For a complete list of the community fishing events visit www.bcfamilyfishing.com website events pages.

Annually this program attracts an estimated 25,000 people who go fishing in the province during the Family Fishing Weekend around BC, approximately 17,000 people visit one of the 50 popular community fishing events. Over the years, BC's Family Fishing Weekend has developed into a well-liked and much anticipated annual event. Please visit our **website** at www.bcfamilyfishing.com, **like** us on **Facebook** or follow us on **Twitter** @bcffw for lots of helpful information, free contests and prizes!

Langford Canadian Tire Air Gun Booth on May 14th

We were asked again this year to setup and host our Air Gun shooting booth at the Canadian Tire in Langford on May 14th. Although it was somewhat lightly attended compared to other years we've hosted this event (mostly due to conflicts with other local events held on the same day) we still had a number of enthusiastic people stop by and shoot some targets. It was great fun as always and I would like to extend our sincere thanks to Tim Currie, the owner / manager of the Langford Canadian Tire store, for supplying the store space for the booth, the targets that were shot, and the pellets that were used for this event. The Langford Canadian Tire store and Tim Currie have been huge supporters of our club and we'd ask you to please give them our support in return and to express your thanks for their support to their staff if you are in the store making a purchase.

I'm also very pleased to report that the volunteer response for this event was probably the best I've ever had for one of our VF&G events and I'd like to thank all of the following club volunteers who helped out with the transportation and setup of the Air Gun Booth to the site (including the use of their vehicles to move everything) and all of the folks who attended the event to act as the RSO's and to man our "Meet and Greet" table, dispensing information and handouts about our club and our upcoming Outdoor Discovery Day event.

My sincere thanks to all the folks on the volunteer list for this event which included: Andre Desautels, Bob MacDonald, Doug Linton, Dom Piluso, Al Page, Perry Roemer, Dave Becker, Chris Stevens, Ivan Rishchmiller, Ron La Rose, Owne Strachen, Alan Cochrane, Lori Noye McKay, Perry Chow, Dawne Deeley (broken foot and all!), Scott & Kathleen Knowles, Paul Martin, Mike Dryburg, and Gaetain Gravelle. (And if I've missed anyone who helped out, but you were somehow missed on my volunteer list then my apologies for not listing you above.)

EDWARDIAN SHOOTING PARTY

A great time was had by all!!! A beautiful day shared by a bunch of friends having fun! Thanks to Andre Desautels, Al Page, Art Archer, Tony Hackett and Graham Shaw for setting up the Trap and Skeet ranges and coaching us with our shooting. They gave up a beautiful day to come out and help us. They are just a great bunch of guys! Everyone dressed up! The costumes ranged from Victorian, Boar War military uniforms to Edwardian. The ladies looked like they had just walked off a set from Downton Abbey. Thanks to historian Gary Kangas for judging the costumes and awarding Laurie Page and Don Lee with best dressed Edwardians (see picture below)!

The event was a celebration of the double barrel shotgun and the nostalgia of the Victorian and Edwardian era. We shot both smokeless and black powder and we actually hit a few clays.

Thanks to all for coming out!

SAFETY REMINDERS--PLEASE READ

FIREARMS--CASES--BENCHES

- * Firearms are to be cased and uncased ONLY during Live Periods and preferably only at the Firing line (forward wooden benches) Actions open, Magazines removed (empty cases can be returned to rear gear tables)
- * Firearms are to be Loaded and Unloaded ONLY on the Firing Line (forward wooden shooting Benches)
- * Muzzles are always to be pointed down range or upwards.
(magazine may be filled or emptied at the rear gear benches and tables).

“CEASE FIRE” ROUTINE/PROCEDURES:

- * Remove ammunition from the Chamber. Remove magazines from the action
- * Leave actions visibly open-(a chamber flag helps visibility!)
Then- **Your Choice:**
- * Leave firearm(muzzle pointed down range, magazine removed, action open) on FIRING LINE bench.

Or

- * Carry firearm muzzle up and place in rear wall rack- magazine removed action open.
- * Remember to take needed targets, tape, stapler, beverage, etc. with you when leaving the shooting bench area for the Cease Fire Period. (An RSO can retrieve forgotten items.)
- * During a Cease Fire DO NOT go within 3 metres of the firearms on the bench or handle firearms on the racks(Remember your P.A.L. Course). Do not touch anything on your shooting table. (An RSO can retrieve forgotten items).
- * During a Cease Fire the divided concrete slab area around the shooting benches is to be used to walk through only on the way to your target and back. Please remain off the shooting table area concrete during cease fire periods.

Safety Tip

Each Range has a Perimeter Flag. If the Red Flag is in the UP position that is a indicator that the range is active. Even if their is a cease fire shooting can start at anytime.

It is a good idea to put your Hearing Protection on at the Perimeter Flag before you get to the active range. (Range Rules require that hearing and eye protection be worn on the Ranges.)

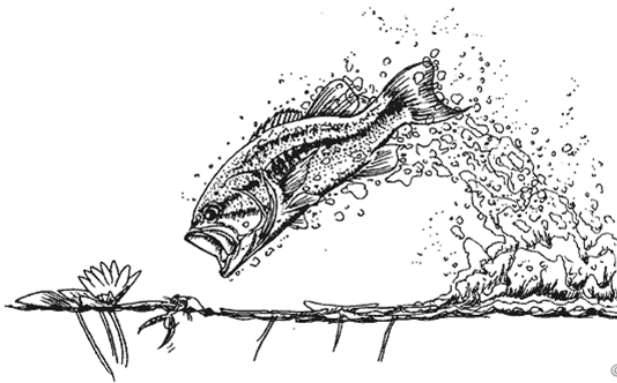

The Federal Licensing Course suggest you wear both in ear and outside ear protection, another option is the "Electronics Earmuffs" Good Christmas List need item.

Once your hearing is damage it cannot be fixed and it does not repair itself.

Fired Range Brass Program reminder!

Just a reminder to our members to only put fired pistol and rifle cartridge cases (brass or steel) into the plastic range brass buckets. I just spent a few hours pre-sorting through 10 buckets of brass to remove the plastic shot shell hulls, used paper targets, empty cardboard ammo boxes, plastic ammo trays, used earplugs (LOTS of those), used Kleenex, and other misc garbage that should NOT be put in the brass buckets. Please use the provided garbage cans on our ranges for your garbage and ONLY put your fired rifle and pistol cartridge cases in the buckets provided for range brass. It will definitely help to make my job a lot easier ... and a lot less disgusting. It is a fairly time consuming job to separate and sort all of the various calibres of brass to make them available to the members that reload, but it makes it far more time consuming when I have to pre-sort all of the garbage out of the brass buckets first.

Check page 28 in this newsletter for information.

Many thanks in advance,

Al Page

BIG GAME RECORDS BOOKS

Copies of the ninth edition (2016) of the Vancouver Island Columbian Blacktail Deer

Records are available at a cost of \$10 each. The publication contains an excellent article written by Byron Mason on fifty years with the deer in the Nimpkish Valley. Byron relates the impact of wolf and cougar predation on deer population abundance and hence, hunting success. He also includes 45 years of deer count data from 1970 through 2015.

There is also an article on early cougar hunting where the provincial government paid a bounty of varying amounts on cougars taken between 1870 and 1958. The new edition contains numerous colour photographs of harvested deer as well as record heads and antlers.

Copies of the previous eighth edition (2010) are still available at a cost of \$5.00.

The current records list over 2160 entries scoring 100 or more Boone & Crockett points.

Of particular note is the re-scoring of the Norm Hammond buck from 1942. These antlers were the number two head in the previous eighth edition (2010) scoring 139 7/8.

Following a request from the current owner, it was panel scored in March 2015 and is now ranked as the number one Vancouver Island deer with a score of 143 5/8.

The most recent sixth edition (2010) of the Big Game Records of British Columbia is available for \$35 each. These are hard cover books containing records of all native big game species in B.C. Hunting stories, photographs and a listing, by species category, of entries meeting the minimum score requirements, are included.

Copies of previous editions are also available as follows:

1 st edition (1970 - reprinted 2011)	2 nd edition (1983)
3 rd edition (1988)	4 th edition (1995)
5 th edition (2003)

**VICTORIA FISH & GAME
PROTECTIVE ASSOCIATION**
P.O. BOX 93, VICTORIA, B.C., V8W 2M1

May 09, 2016

Minister of Fisheries & Oceans,
Honourable Hunter Tootoo,
House of Commons,
Ottawa, Ontario,
K1A 0A6

Mr. Minister:

The Victoria Fish & Game Protective Association was incorporated June 16, 1919 and currently represents over 3500 members, many of which are tidal water anglers. Our organization is concerned regarding proposals for additional Chinook salmon angling restrictions or total closures within southern Vancouver Island waters (parts of FMA 19 and 20).

For several years now, recreational anglers have contributed more than their share towards the conservation of these Fraser River stocks of concern. The primary source of mortality on these Chinook is from in-river net fisheries conducted by First Nations. The membership of the Victoria Fish & Game Protective Association is strongly opposed to any further restrictions or closures being imposed on their angling opportunity and expectation. This proposal is not a matter of conservation but a further re-allocation of the Fraser River Chinook salmon resource to Fraser River First Nations.

We urge you to accept the recommendation of your Sport Fishing Advisory Board (SFAB) for the recreational Chinook salmon fishing plan in this area.

Yours truly,

Wayne Zaccarelli,
Fishing Committee chair,
Victoria Fish & Game Protective Association
