

Victoria Fish and Game Protective Association

ESTABLISHED 1919

SEPTEMBER 2016

Editor & Publisher: Jodi Sturgill

IAN BRUCE OF PENINSULA STREAMS SOCIETY TO SPEAK AT SEPTEMBER 19th MEETING

Ian Bruce, the Executive Coordinator of Peninsula Streams Society, will give a presentation describing the various projects they are involved with. A discussion is planned on ways PSS might involve VFGPA members in short, or longer, term projects; perhaps one that the Victoria Fish & Game could adopt as their own.

The Victoria Fish & Game has supported the work that Peninsula Streams does by contributing cash donations over the last two years.

Bring your ideas to the meeting. You may become a future project volunteer contributing to the health and well being of local fish bearing waters.

*Moose	*Halibut	*Squirrel	*Beaver
*Bear	*Salmon	*Cougar	*Rabbit
*Crab	*Goat	*Ostrich	*Caribou

Thank you
Angela Long-Greene
leeward49@hotmail.com 250-886-7523

**HOUSE KEEPING**

Hello Members, a few house keeping items:

ALL NEW MEMBERS MUST TAKE THE ORIENTATION COURSE BEFORE THEY ARE ALLOWED TO USE THE CLUBS RANGES.

EVERYONE NEEDS TO SIGN IN WHEN AT THE RANGE!!

You cannot sign in anyone (for Free) on your Memberships. (if you don't have a Membership Card you have to have a Day-Pass displayed on you)

Sweeping your brass/steel/empty hulls off the concrete and/or leaving them on the ground is **not acceptable**. Please clean up after yourself. We have a lot of range users that do not know the rules (Day-Pass Users or New Members that haven't taken the mandatory "Orientation Course") please educate anyone not cleaning up after themselves. Extra buckets have been put at each range, these are not garbage buckets they are to be used for Brass Cartridges (recycle) on the R/P and M/P Range, shotgun shells on the S/G Range. All garbage (paper, plastic, cardboard) goes into the garbage cans.

Please print your Name/Member Number when you sign in, we **NEED** to be able to read what you **Write / Print**. **YOU MUST INITIAL THE ACKNOWLEDGEMENT THAT YOU KNOW THE RULES OF THE CLUB**
If **6pm** is Closing Time the last shot is **5:30pm**, you have 1/2 hr. to clean up and be past the main gate before it is locked. You need to be on the other side of the main gate by **6pm**. Range staff have already worked their 12-14 hours to 8 hours and would like to go home and see their families.

Closing Times for the Range 2016 CLOSING AND LAST SHOT

Main Gate times (1/2 hr after last shot.)

Summer Hours are last shot 7:30PM Main gate closes at 8:00 PM (until Sept)

Thank you, Club Manager, David M.

Volunteers Help Wanted

The Victoria Fish and Game Protective Association has openings for Volunteer assistant caretakers on a casual, on call basis to provide holiday relief for the full time caretakers, and or augmented coverage during busy periods. Work hours will usually be on weekends and statutory holidays, but may be on other days of the week. Duties include:

- * janitorial;
- * grounds keeping/yard work;
- * selling day pass and memberships;
- * range safety officer.

Requirements for the position include:

- * hold a valid PAL;
- * good interpersonal and customer service skills;
- * able to work on your own;
- * physically capable of doing janitorial and yard work.

Please send your resume and expression of interest to the Range Manager, David Michaud at inquiry@vfgpa.org

CLUBHOUSE CANTEEN NOTICE:

At the Clubhouse Canteen wish to invite the members to come up and enjoy a hot cup of coffee ... on us!

We open at about 10:00, and close at 15:00

Only available Saturday / Sunday from 10:00 to 15:00 ...
one cup per visit, please.

By Marc, Canteen Manager

NEEDED

We really need Members to Volunteer to present the Orientation Courses, Trap Access, Holster, And Handgun Essentials Courses.

Not a huge commitment, as we present the Trap Access Program (about 40 min.).

Trap is at 6 pm every Wed except during the winter.

Orientation is every Wed at 7pm, all year long Plus the odd Sat/Sun during the month.

We are doing the Holster Course and Handgun Essentials Course once a Month (usually on Sun.) but some Saturdays would be good as well.

Very easy to do, training provided, just send me an e-mail

davidmichaud333@gmail.com

**FACTORY AMMUNITION SALE**

This factory ammunition has been donated by a generous club member and all of the proceeds go to the club to help fund our various ongoing range repairs, range improvements, and other club projects. If interested in any of the below, please contact **Al Page** at (250) 388-0705 or email at lapage@telus.net

Fired Range Brass Program reminder!

Just a reminder to our members to only put fired pistol and rifle cartridge cases (brass or steel) into the plastic range brass buckets. I just spent a few hours pre-sorting through 10 buckets of brass to remove the plastic shot shell hulls, used paper targets, empty cardboard ammo boxes, plastic ammo trays, used earplugs (LOTS of those), used Kleenex, and other misc garbage that should NOT be put in the brass buckets. Please use the provided garbage cans on our ranges for your garbage and ONLY put your fired rifle and pistol cartridge cases in the buckets provided for range brass. It will definitely help to make my job a lot easier ... and a lot less disgusting. It is a fairly time consuming job to separate and sort all of the various calibres of brass to make them available to the members that reload, but it makes it far more time consuming when I have to pre-sort all of the garbage out of the brass buckets first.

Check page 26 in this newsletter for information.

“A big Thank You to our member Mike Lesperance for all of his help sorting out buckets full of our range brass”. Mike has been helping me out with the brass sorting chores for quite a while now and his help is very much appreciated!

Many thanks in advance,

Al Page

BIG GAME RECORDS BOOKS

Copies of the ninth edition (2016) of the Vancouver Island Columbian Blacktail Deer

Records are available at a cost of \$10 each. The publication contains an excellent article written by Byron Mason on fifty years with the deer in the Nimpkish Valley. Byron relates the impact of wolf and cougar predation on deer population abundance and hence, hunting success. He also includes 45 years of deer count data from 1970 through 2015.

There is also an article on early cougar hunting where the provincial government paid a bounty of varying amounts on cougars taken between 1870 and 1958. The new edition contains numerous colour photographs of harvested deer as well as record heads and antlers.

Copies of the previous eighth edition (2010) are still available at a cost of \$5.00.

The current records list over 2160 entries scoring 100 or more Boone & Crockett points.

Of particular note is the re-scoring of the Norm Hammond buck from 1942. These antlers were the number two head in the previous eighth edition (2010) scoring 139 7/8.

Following a request from the current owner, it was panel scored in March 2015 and is now ranked as the number one Vancouver Island deer with a score of 143 5/8.

The most recent sixth edition (2010) of the Big Game Records of British Columbia is available for \$35 each. These are hard cover books containing records of all native big game species in B.C. Hunting stories, photographs and a listing, by species category, of entries meeting the minimum score requirements, are included.

Copies of previous editions are also available as follows:

1 st edition (1970 - reprinted 2011)	2 nd edition (1983)
3 rd edition (1988)	4 th edition (1995)
5 th edition (2003)	

Check out the **Wildlife Records Club of B.C.** website and e-mail at:

Website: www.wildliferecordsofbc.com

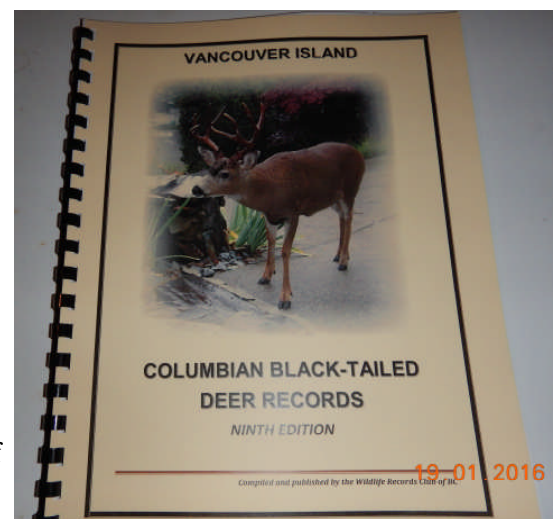

e-mail: wildliferecordsofbc@shaw.ca

NEW VANCOUVER ISLAND DEER BOOK

Copies of the ninth edition (2016) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$10 each. The publication contains an excellent article written by Byron Mason on fifty years with the deer in the Nimpkish Valley. Byron relates the impact of wolf and cougar predation on deer population abundance and hence, hunting success. He also includes 45 years of deer count data from 1970 through 2015.

There is also an article on early cougar hunting where the provincial government paid a bounty of varying amounts on cougars taken between 1870 and 1958. The new edition contains numerous colour photographs of harvested deer as well as record heads and antlers.

Copies of the previous eighth edition (2010) are still available at a cost of \$5.00.

The current records list over 2160 entries scoring 100 or more Boone & Crockett points.

To All Members of the VFGPA,

**There are no Member Meetings throughout the summer,
next meeting is Monday, September the 19th**

CALENDAR REMINDER

**IF YOU WANT TO SEE THE CALENDAR, PLEASE CHECK OUR WEBSITE AT: www.vfgpa.org AND
CLICK ON THE EVENT CALENDAR TAB.**

**ALSO, BEFORE HEADING UP TO THE RANGE, PLEASE CALL THE WEEKLY RANGE CLOSURES
AND EVENTS HOTLINE AT: 250-478-2411 TO SEE IF THERE ARE ANY CHANGES TO THE MOST
RECENT VERSION OF THE EVENT CALENDAR POSTED ON THE WEBSITE.**

IMPORTANT MESSAGE

This is just a reminder that by law if you own a restricted firearm you must have a gun club membership (any gun club) or you may be subject to having your restricted firearms confiscated by the RCMP. Also make sure your PAL has not expired. As life gets busy we all know how easy it is to forget things. If you have firearms you want to dispose of, contact the club if you require assistance.

New to hunting and interested in joining an experienced person in hunting on the island. Using a 303. Will share expenses. Please contact Luke at [250-886-9888](tel:250-886-9888).

The Right

The Wrong Way

The Right Way

The Wrong Way

The Wood cross pieces in theory should not have any holes in them, We are going through a lot of wood unnecessarily. Please make sure targets are placed correctly and educate other members if they haven't read the Newsletter.

PROPERLY PLACED TARGETS ON THE RIFLE/PISTOL RANGE

To prevent shooting out (destroying) the wood cross beams.

The following is a text version of the attached Signed PDF Letter from Fin Donnelly concerning Bill C-228

David Becker
President
Victoria Fish and Game Protection Association
PO Box 93
Victoria, BC, V8W 2M1

Dear David,

I am writing to ask for your help. For more than 25 years, I have been fighting to save wild B.C. salmon. In 1995 and again in 2000, I swam the 1,400 km length of the Fraser River in order to draw attention to threats to this mighty salmon river. Since being elected to the House of Commons in 2009, federally legislated protection to save B.C. wild salmon has been my top priority.

On February 24th, 2016, I introduced Bill C-228, An Act to amend the Fisheries Act (closed containment aquaculture). This bill strengthens the Fisheries Act by requiring West Coast fish farms to move from harmful open-net pens to safe closed containment systems within 5 years and it requires the Minister of Fisheries and Oceans to develop, table and implement a transition plan to closed containment within 18 months of the bill receiving Royal Assent.

Bill-228 will come to a vote this fall. This vote provides us with a historic opportunity to demand action on key recommendations of the Cohen Commission and make Canada a leader in closed containment aquaculture.

You can help by providing an endorsement for Bill C-228 from your organization and raising awareness of the bill in your network. Your endorsement will go a long way in helping me gain support from other Members of Parliament. The more citizens engaged on the issue, the better chance we have of success.

Send your endorsement quote to fin.donnley.clc@parl.gc.ca or complete our online form here:

<http://findonnelly.ndp.ca/bill-228-endorsement-form-organizations>

You can read the full text of Bill C-228 and find our petition in support of the bill attached. You can find out more information by visiting: <http://www.findonnelly.ca/save-west-coast-wild-salmon>

The people of British Columbia celebrate and depend on the iconic west coast wild salmon. This bill will help save our wild pacific salmon by protecting them from disease and pollution caused by harmful open-net fish farms.

Together, we can ensure a healthy future for wild salmon and the people who depend on them.

I hope I can count on your support.

MP – Port Moody-Coquitlam

NDP Critic for Fisheries, Oceans and Canadian Coast Guard

SOUTH ISLAND ACTION SHOOTERS

700 Holker Place, Malahat BC

Are you a semi-automatic or double action revolver shooter? Are you bored of standing still and firing at a static target?

Are you looking to challenge yourself and try something new? Action pistol may be the sport for you!

Interested in finding out more?

Come on up and check out some of our matches on the Multi-purpose range

- * August 13 & 14th IPSCBC Qualifiers-up to 126 shooters, some of the best in the Province
- * August 21st Club match
- * September 24th Club championship match
- * Or Google IPSC videos Or email: actionshooters@vfgpa.org

If you think this sport might be for you...

**First of all you must be holster certified or complete the VFGPA Holster training
\$20 - 3 hour class. Register at the office**

If you are new to handguns we also require you to complete the VFGPA Handgun Essentials Course which focuses on basics such as stance, grip, sight picture and trigger control

\$20 - 3 hour class. Register at the office

Action Pistol or IPSC shooting requires you to move through a course of fire while engaging paper, steel and moving targets, safety is paramount

To come out and shoot a SIAS Club match you must complete the

SIAS Range Safety Course

This short 3 hour course will teach you:

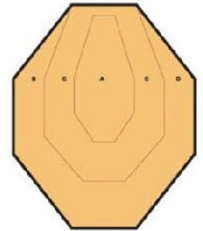

- Introduction to action shooting
- Types of targets and scoring
- How to safely conduct yourself during a match
- Safety and the role of a the range officer
- Range officer commands
- Muzzle control and reloading
- Gun draw from a holster
- Moving, shooting and reloading
- Safely clearing jams and handling malfunctions

Courses run from 11am to 2pm and are \$20, sign up at the office

Course Dates:

August 28

September 24

You will need your firearm, a belt, holster, 4 to 5 mag pouches, 100 rounds of ammunition, eye and ear protection and clothing appropriate for the weather

MEMBERS LEARN TO USE THE TRAP MACHINES

The Executive is happy to announce the TRAP MACHINE ACCESS PROGRAM. This Course will allow you to sign out keys to access the token machines and our \$15,000 Trap Machines.

The Course is FREE to Members (ONLY). Successful completion OF THE COURSE gets your name on the "Authorized List" letting you sign out the keys and use the token box and Trap machine. (Tokens are available from the Manager/Caretaker for \$5.00 per round of 25 targets plus 1)

There will be a classroom portion as well as hands-on training. Course length is approx. 40 minutes. Check the Website calendar for specific dates."

Trap Access is Wednesdays at 6pm, & on Sat/Sun 1pm

Next Course dates:

AUGUST	SEPTEMBER	OCTOBER	NOVEMBER
Aug. 3rd	Sept 7th	Oct. 5th	Nov. 6th
Aug. 7th	Sept 10th	Oct. 12th	Nov. 12th
Aug. 10th	Sept 14th	Oct. 16th	Nov. 15th
Aug. 17th	Sept 21st	Oct. 29th	
Aug. 24th	Sept 25th		
Aug. 31st	Sept 28th		

If you have questions about the Program please the ask the Manager, David, Trap Director, Andre, or Relief Caretakers Neil, Art, Lisa, Andrew, or Bob.

Reminder - Day Pass Fees for Non-Members

Anyone who attends the range with a member needs to purchase a **\$20 Guest pass**. If a non-member is a current member with the BCWF, or an affiliated club (valid cards **must** be shown) they are eligible for a **\$20 Special day pass**. All non-club membership holders and are not attending with a member pay the **\$50 Day Pass**.

All range rules must be strictly followed. Non-Members must sign in with their Day-Pass number and keep and display the yellow copy of the day pass while using the range facilities. **Only one \$50.00 Day Pass can be used as a credit towards a membership purchased within 30 days and must be surrendered at time of purchase.**

Salt Spring Island Rod and Gun Club

We continue to support our friends over on Salt Spring Island and they face challenging times. Please show your support by purchasing a membership at SSiRG or visiting their range.

Official Range Plan

If you have any suggestions for major capital improvements to the range, please submit your ideas to info@vfgpa.org

**TO ALL TRAP SHOOTERS**

You can now shoot Trap at the same time as a Skeet Practice is taking place under some new strict conditions.

Please ask Staff to review the new conditions with you when you stop by the office to sign out Trap Keys.

Thanks
David M, CRSO

SKEET AND 5- STAND NOTICE

Skeet practice is held on Tuesdays with shooting starting at 10am and now on some Sunday afternoons. For the Sunday practices please check our club website calendar. Skeet is \$5.00 per round of 25 targets.

5-stand or sporting clays are held once a month and the dates and times are posted on our club website calendar. 5-stand is \$6.00 per round of 25 targets and Sporting Clays is \$30. per round of 100 targets.

For inquiries, call Paul at (250) 710-5303 paulhagel@hotmail.com

Just a short note. Sheet Sunday shot is starting to bring in some new shooters and we are working on improvement on ours 5 stand setups to challenge the Master class shooters. But also keeping in mind the un experienced shooter.

**Calendar of the Orientation Sessions**

Wednesday Orientation is Wednesday at 7pm & on Sat/Sun 2pm

AUGUST	SEPTEMBER	OCTOBER	NOVEMBER
Aug. 3rd	Sept. 7th	Oct.5th	Nov. 2nd

SAFELY CLEARING JAMS & MALFUNCTIONS

TRAINING TIPS

Victoria Fish & Game Association, 700 Holker Place, Malahat BC

SAFETY REMINDERS--PLEASE READ

FIREARMS--CASES--BENCHES

- * Firearms are to be cased and uncased ONLY during Live Periods and preferably only at the Firing line (forward wooden benches) Actions open, Magazines removed (empty cases can be returned to rear gear tables)
- * Firearms are to be Loaded and Unloaded ONLY on the Firing Line (forward wooden shooting Benches)
- * Muzzles are always to be pointed down range or upwards.
(magazine may be filled or emptied at the rear gear benches and tables).

“CEASE FIRE” ROUTINE/PROCEDURES:

- * Remove ammunition from the Chamber. Remove magazines from the action
- * Leave actions visibly open-(a chamber flag helps visibility!)
- Then- **Your Choice:**
- * Leave firearm(muzzle pointed down range, magazine removed, action open) on FIRING LINE bench.

Or

- * Carry firearm muzzle up and place in rear wall rack- magazine removed action open.
- * Remember to take needed targets, tape, stapler, beverage, etc. with you when leaving the shooting bench area for the Cease Fire Period. (An RSO can retrieve forgotten items.)
- * During a Cease Fire DO NOT go within 3 metres of the firearms on the bench or handle firearms on the racks(Remember your P.A.L. Course). Do not touch anything on your shooting table. (An RSO can retrieve forgotten items).
- * During a Cease Fire the divided concrete slab area around the shooting benches is to be used to walk through only on the way to your target and back. Please remain off the shooting table area concrete during cease fire periods.

Safety Tip

Each Range has a Perimeter Flag. If the Red Flag is in the UP position that is a indicator that the range is active. Even if their is a cease fire shooting can start at anytime.

It is a good idea to put your Hearing Protection on at the Perimeter Flag before you get to the active range. (Range Rules require that hearing and eye protection be worn on the Ranges.)

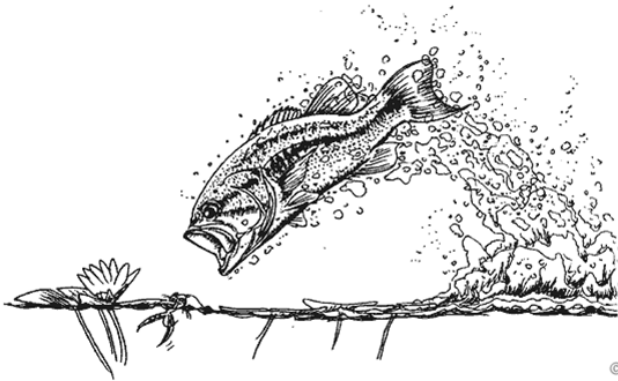

The Federal Licensing Course suggest you wear both in ear and outside ear protection, another option is the "Electronics Earmuffs" Good Christmas List need item.

Once your hearing is damage it cannot be fixed and it does not repair itself.

David Michaud, CRSO

Your Cooperation is appreciated! Your Safety is our only concern!

Thank-you
Your RSO Volunteers

**VICTORIA FISH & GAME ANNUAL BIG GAME COMPETITION**

Hunters are reminded that Blacktail deer taken in MU 1-1 through 1-13 by Victoria Fish & Game members are eligible for the five trophies available each year. Deer must be field dressed which means that the heart, liver and kidneys (edible portions) are the only internal organs which can be included when the animal is weighed. Deer must be weighed on Club scales by the caretaker or his designate.

The official weigher reserves the right to refuse weighing any deer which arrives in an un presentable condition. Lungs must be removed and body cavity wiped dry with a rag or paper towels. Deer 160 pounds and over taken with a rifle and 140 pounds and over taken by bow and arrow must be witnessed by an executive member at time of weighing. Please contact the Club caretaker/manager or Wayne Zaccarelli to make arrangements. Hunters are reminded that access to club facilities is restricted to daylight hours with the gate locked progressively earlier through the hunting season. Please ensure that you confirm the time gates are locked and show up at least a half hour earlier.

Trophies available include:

- * McIlwaine Van & Storage (est. 1955) largest deer / rifle
- * Victoria Fish & Game (est. 1966) largest scoring antlers
- * Robinson's Sporting Goods (est. 1970) largest deer / bow & arrow
- * Bob Hollingworth Memorial (est. 1983) largest buck deer / junior member
- * Malahat Marauders (est. 1990) largest deer / muzzle loader

Gold, silver and bronze buttons are awarded in both rifle and bow & arrow classes for deer in the following weight categories:

	RIFLE	BOW & ARROW
Gold	180 lb +	160 lb +
Silver	160 - 179 ½ lb	140 - 159 ½ lb
Bronze	140 - 159 ½ lb	120 - 139 ½ lb

In addition, the Victoria Fish & Game Bear trophy is awarded annually for the largest Black bear taken by a Club member. Boone & Crockett Club scoring is used to determine the largest entry. Boundaries are again MU 1-1 through 1-13.

CRAIGFLOWER CREEK DRYING UP

The Craigflower creek is in dire need of more water flow. We are just entering the extreme dry period of the year and the creek level is very low and the water temperatures are climbing. The staff gauge at the counting fence is registering 0.181 m. This is a flow of about 2-3 l/s. With the agreement we set up with the CRD Thetis lake water release rule, the valve at Thetis lake was supposed to open when the staff readings at the fence were between 0.29 m on its way to 0.24 m. CRD has not opened the valve all year, except for a constant dribble of 1-2 l/s, because the lake level was just below their lower rule band line. Connectivity between pools is starting to close and the lower gravel reaches are drying with a resultant large mortality of fry.

I just read that there is a new BC Water Act that is supposed to give priority to critical environmental flow issues by overriding water license holders that are used for non domestic use. The CRD Thetis lake water license is one of these licenses. Since the CRD has not activated their water release valve all summer it is about time we had some immediate meaningful flow from that water source to resolve our critical low flow issue.

I understand that you are kept apprised of the critical water flow reports from the BC Ministry. Have you been in contact with them over this issue and have they raised any alarms yet for critical flows in the Craigflower creek? How does the BC Ministry determine when there is a critical low flow state on the Craigflower creek?

Continues next page

There has been a lot of silence from everyone over this and I think that needs to change. This is a game changer if everything I have read is true, but we need some mechanisms to get things happening in the bureaucratic realms and soon so that we can get some water into the creek before it goes dry.

So what has to happen to get some action here?

Bruce Bevan

Stream keeper for the Craigflower watershed with the Esquimalt Anglers Association.

*** The above e-mail was sent to Tom Rutherford of DFO on July 20. Tom is the supervisor for the south Vancouver Island Community Advisor (CA) who works with the local Streamkeeper groups on Salmonid enhancement projects. Submitted by Wayne Z.

LOCAL CLUB RECEIVES SAANICH ENVIRONMENTAL AWARD

The Victoria Golden Rods & Reels fishing and social club was honoured for their achievements in supporting water quality research and stewardship at Elk/Beaver Lake. This volunteer organization has raised significant funds, put in over 2000 hours of volunteer labour and supplied boats to support scientific work on water quality issues at the lake. The club's efforts have included hosting a Lake Stewardship seminar, a public forum at UVic's Environmental Law Centre, supporting an intergovernmental steering committee and successfully working with the CRD towards a project coordinator position and new weed harvester. The long-term effects of their efforts and the future increased health of the lake will benefit recreational activities as well as the aquatic ecosystems of Elk/Beaver Lake.

The Club was recently rewarded with an Environmental Award as Volunteer Organization of the year by the District of Saanich.

BIG GAME RECORDS BOOKS

Copies of the ninth edition (2016) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$10 each. The publication contains an excellent article written by Byron Mason on fifty years with the deer in the Nimpkish Valley. Byron relates the impact of wolf and cougar predation on deer population abundance and hence, hunting success. He also includes 45 years of deer count data from 1970 through 2015.

There is also an article on early cougar hunting where the provincial government paid a bounty of varying amounts on cougars taken between 1870 and 1958. The new edition contains numerous colour photographs of harvested deer as well as record heads and antlers.

Copies of the previous eighth edition (2010) are still available at a cost of \$5.00.

The current records list over 2160 entries scoring 100 or more Boone & Crockett points.

Of particular note is the re-scoring of the Norm Hammond buck from 1942. These antlers were the number two head in the previous eighth edition (2010) scoring 139 7/8.

Following a request from the current owner, it was panel scored in March 2015 and is now ranked as the number one Vancouver Island deer with a score of 143 5/8.

The most recent sixth edition (2010) of the Big Game Records of British Columbia is available for \$35 each. These are hard cover books containing records of all native big game species in B.C. Hunting stories, photographs and a listing, by species category, of entries meeting the minimum score requirements, are included.

Copies of previous editions are also available as follows:

1st edition (1970 - reprinted 2011)

2nd edition (1983)

3rd edition (1988)

4th edition (1995)

5th edition (2003)

ACTION PLAN FOR SOUTHERN RESIDENT KILLER WHALE RECOVERY

The proposed Species at Risk Act (SARA) "Action Plan for the Northern and Southern Resident Killer Whales in Canada" was recently released by DFO for public comment until August 14.

The Southern Resident Killer Whales (SRKW) were listed as *Endangered* under SARA in 2003. Three distinct ecotypes of killer whales inhabit B.C. waters - the Resident, Offshore and Transient. The SRKW population declined by about two per year between 1995 and 2001 and are listed as having 77 members in 2014. The 2016 population is estimated at over 80 animals.

However, the Action Plan lacks adequate population data during the 1995-2016 period and no data is provided for their population prior to 1995. There is also no proof that significantly increased populations existed historically. It may be that the population fluctuations of the past twenty years are normal and that their numbers were not statistically different prior to that.

A total of 94 Recovery Measures are listed in the Action Plan. Of particular concern to local salmon anglers is a high priority option to "investigate strategic fishery closures" as a possible tool to reduce Resident Killer Whale prey competition. During summer and fall, SRKW feed primarily upon chinook and chum salmon. If the Recovery Measures were put into effect it would likely curtail our chinook fishery in Juan de Fuca Strait during the June to September period.

There is no mention in the Action Plan of increasing chinook abundance through enhancement techniques to provide additional food for the SRKW.

By Wayne Z.

VICTORIA ANGLERS UNDER ATTACK - AGAIN!!!

Recent articles in the Langley Advance News (July 19) and The Globe and Mail (July 20) describe further attacks aimed at Victoria area Chinook salmon anglers.

Three First Nations on the lower Fraser River have launched a legal challenge against DFO management of Fraser River Chinook stocks. The Kwantlen, Katzie and Seabird Island First Nations are challenging the management of spring Chinook salmon which have declined in numbers over the years.

If the application is granted, it will likely lead to a closure of the Juan de Fuca sport fishery for Chinook salmon during late spring and early summer. The First Nations allege that DNA analysis of sport caught Chinook show that Fraser River spring Chinook are caught in substantial numbers.

However, the harvest rate impact on these stocks by recreational anglers in this area is less than three percent. Restrictions are in place from March 01 to mid June each year requiring the release of all wild (unclipped) Chinook over 67 cm. Additionally, from mid June to mid July this year, all wild (unclipped) Chinook over 85 cm. are required to be released. This essentially means the non-retention of virtually all wild, spawning Chinook over a four and a half month period. Over much of this time frame, anglers are catching mostly U.S. hatchery Chinook - primarily from Puget Sound hatcheries.

It is the First Nations bands themselves which are significantly impacting these stocks. Harvest rates in excess of 50% are not uncommon for their in-river net fisheries.

The 2016/2017 Integrated Fisheries Management Plan (IFMP) lists a lower Fraser First Nations Chinook harvest target of 25,300 fish. The mid/upper Fraser River First Nations have a target of 18,000 Chinook. The lower Fraser First Nations have an all species (Chinook, coho, chum, sockeye and pink) target of 675,400 fish while the mid/upper Fraser bands have a target of 389,000 salmon. This is a total of 1,064,400 salmon.
