**Our Club is still growing! ... but there are *STORM CLOUDS* on the Horizon ...**

## Presidents Report

I am hoping that the warm days of summer are finally here, and that we can all enjoy our range and it's amenities while enjoying some warm weather as well.

*Our Club is growing!! ..*

The new Airsoft group is working hard to get the Airsoft range into shape so that they can enjoy some competitive airsoft games. At this point, it is more work-time than play-time, for the small group that seems to be doing most of the work to prepare the field. Those of you who will be taking part in the airsoft games are encouraged to get hold of Rick Rutherford <[rc.rutherford@shaw.ca](mailto:rc.rutherford@shaw.ca)> and let him know if you are available to help build the field, as well as play the game ..... remember .... We are a volunteer club .... And you get out of it what you put into it ... ..

We have a new 'Bullseye shooting group as well! Gary Byrne has spearheaded this endeavor. The group has started Wednesday morning practices, from 9am to 11am, at the Multi-Purpose Range. If you are interested in Bullseye, or slow-fire target shooting, get hold of Gary at <[byrne.garybyrne@gmail.com](mailto:byrne.garybyrne@gmail.com)> and he can let you know how to get involved.

*..... Storm Clouds on the Horizon ... in more than one direction ....*

While the shooting sports seem to be expanding and growing, our Governments and its various tentacles are conspiring to make our past-times more difficult and onerous to enjoy. As I write this, the Federal Government has introduced a bill to 'Amend the Ending the Long-Gun Registry Act'. This bill will facilitate the movement of old long-gun registry info from the Federal Government, to the Provinces, thus enabling the Provinces to start their own gun registry system. So far, it is only Quebec that wants to start a registry .... But ..... can the rest of the provinces be far behind? Write your MP to express your displeasure with this blatantly discriminatory action against Law-abiding firearms owners!

Earlier this year the Federal Government has also re-started gathering data for an initiative that is part of the implementation of the 'Health Canada Risk Management Strategy for Lead' under which, the Government of Canada committed to further reduce Canadian exposure to lead to the greatest extent practicable. This initiative is targeted towards lead ammunition, and lead fishing weights. The Government distributed a survey (with incredibly biased questions ... ) and indicated that the results would help direct further regulations regarding the use of lead. This particular initiative has been quiet for the last couple of months, but I expect it to rear its ugly head in the next short while. When it does surface again, we must all, again, exert as much political pressure as possible on all of our MPs to stop the silliness.

Of even more concern, is the 'Range License Approval Process', that has now surfaced in the province. All ranges in the province must be licensed and inspected by the Provincial Chief Firearms Office every few years. The inspection process checks to ensure that the range is constructed according to the 'RCMP Range Design & Construction Guidelines', and that the range is following the 'Shooting Clubs and Shooting Ranges Regulations'. The problem is the regulations themselves, and this explanation requires a bit of a history lesson.....

*Continues next page*

When the Regulations were first introduced in the 1990's, they contained very onerous requirements. As an example, they require that a range provide a list of all active members in good standing, including their P.A.L. numbers, and a list of all members who would require an 'Authorization to Transport' for target practice or shooting competitions. It went so far as to ask for a list of members who attend other ranges. Your Board of Directors at the time, along with all of the other ranges in the country, fought these useless and overly onerous regulations and requirements for record keeping. The CFO's across the country backed off at the time, to a more reasonable level of regulation, but DID NOT get the written regulations changed or updated.

Fast-forward to 2017; We are now a generation later. All of the CFO offices have new people, and we now have a new Federal Government. The CFO offices across the country recently had an audit last year, and it was found that they did not have sufficient information as required by the regulations. ... .... We now have to fight that battle *all over again*.

I could go on, but space is limited ....

This will be another case where we, as a club, will need all of our members support, to talk to your MP's, and write letters, to get the regulations and requirements back to a reasonable common sense level. Stay tuned on this topic. We will be updating you as we get farther along in the process.

All that said; Enjoy your range ... but be vigilant ... 'Big Brother' is closer than we would like to think.

Dom Piluso, President.

### HOUSE KEEPING

Hello Members, a few house keeping items:

**ALL NEW MEMBERS MUST TAKE THE ORIENTATION COURSE BEFORE THEY ARE ALLOWED TO USE THE CLUBS RANGES.**

**EVERYONE NEEDS TO SIGN IN WHEN AT THE RANGE!!**

**You cannot sign in anyone (for Free) on your Memberships. (if you don't have a Membership Card you have to have a Day-Pass displayed on you)**

Sweeping your brass/steel/empty hulls off the concrete and/or leaving them on the ground is not acceptable. Please clean up after yourself. We have a lot of range users that do not know the rules (Day-Pass Users or New Members that haven't taken the mandatory "Orientation Course") please educate anyone not cleaning up after themselves. Extra buckets have been put at each range, these are not garbage buckets they are to be used for Brass Cartridges (recycle) on the R/P and M/P Range, shotgun shells on the S/G Range. All garbage (paper, plastic, cardboard) goes into the garbage cans.

Please print your Name/Member Number when you sign in, we **NEED** to be able to read what you **Write / Print**. **YOU MUST INITIAL THE ACKNOWLEDGEMENT THAT YOU KNOW THE RULES OF THE CLUB**

If **4:45pm** is Closing Time the last shot is **4:15pm**, you have 1/2 hr. to clean up and be past the main gate before it is locked. You need to be on the other side of the main gate by **4:45pm**. Range staff have already worked their 8 hours and would like to go home and see their families.

### Closing Times for the Range 2017 CLOSING AND LAST SHOT

**Main Gate times (1/2 hr after last shot.)**

#### Last Shot

**April 16 to Fall last shot 730PM Main Gate Closes at 8pm**

Thank you, Club Manager, David M.

**VALID STUDENT ID WITH PICTURE ID MUST BE PRESENTED AT TIME OF PURCHASE.**

### **NEEDED**

We really need Members to Volunteer to present the Orientation Courses, Trap Access, Holster, And Handgun Essentials Courses.

Not a huge commitment, as we present the Trap Access Program (about 40 min.).

Trap is at 6 pm every Wed except during the winter.

Orientation is every Wed at 7pm, all year long Plus the odd Sat/Sun during the month.

We are doing the Holster Course and Handgun Essentials Course once a Month (usually on Sun.) but some Saturdays would be good as well.

Very easy to do, training provided, just send me an e-mail  
[davidmichaud333@gmail.com](mailto:davidmichaud333@gmail.com)

### **"New to our Range: Holster Training Course"**

You must be 'Holster Trained' and have a Holster Training qualification Card to use a Handgun Holster on our ranges.

Holster Training Courses (a 2 hour short course 10-12pm) will be held at the club on: **July 9th, August 5th, Sept. 17th, Oct. 14th, Nov. 12th,**

For Details, costs, & pre-registration, call at the Club Office 250-858-8342

## Peggy A. Stenger (April 14, 1939 - May 15, 2017)

It is with incredible sadness that the members of Peggy's South Island Action Shooters family say goodbye. Peggy will always be remembered for her welcoming smile and her nurturing of new shooters at the range. She was the familiar face when you arrived at the MP for a match and the person who wrote your name in the registration book for the very first time and numerous times afterward. To many of us she was our "range mom" who could always be counted on for words of encouragement and support no matter how good or bad your match was going. She loved to cook and feeding people was her way of showing she cared. Through numerous potluck lunches, ISL and SIAS barbeques, she showed all of us just how much we meant to her!

Though Peggy never fired a shot in her life she followed in the footsteps of her beloved Alec and supported and encouraged the shooting sports, particularly Action Pistol. She avidly reviewed the results from every match, taking note of who was improving and who was up and coming. She attended our Club Championship each year as well as the ISL President's Cup and celebrated those who were recognized.

Peggy will be missed more than words can convey but I'm also sure that she and Alec will be watching over all of us at matches, cheering us when we shoot Alphas and being ready with a sympathetic word and the white tape when needed.

## INTEREST TO DEVELOP BULLSEYE SHOOTING AT VFGPA?

VFGPA is fortunate to have a wide variety of Pistol Disciplines including Action Pistol, PPC and Cowboy action.

There is another discipline that may be of interest to pistol shooters who want to move from fun "Plinking" to Competitive Pistol shooting.

I am seeking input from members who would consider participating in Bullseye Shooting if it could be organized at VFGPA. Matches could be organized on a regular schedule mid week mornings or late afternoon and possibly Saturday or Sunday. Inter-club tournaments could be organized monthly. All would depend on participant expectations and VFGPA support for range time.

Bullseye, also known as precision pistol, is a shooting sport in which participants shoot handguns at paper targets, at fixed distances and within time limits. Emphasis is on accuracy and precision shooting. Bullseye shooting is a great way to improve marksmanship as it requires a disciplined hand/eye to competitively shoot one-handed at 5.5-inch and 8-inch bullseye targets at 25 yards and possibly 50 yards if this can be accommodated.

The proposed Bullseye Precision Fire initiative specifies a .22 caliber rim fire, and depending on interest and support could include Sport Pistol using center fire handgun of .32, .38/.357 caliber. In addition to ammo there would be bed sheet and target costs. (3 to 5\$ per match, est)

All courses of fire are from a standing position using a one-handed grip, open steel sights.

Depending on the match format, the competitor would shoot 60 rounds per match. Each shot scores a maximum of 10 points.

A match would include:

- 1 string sighted series [not scored]
- 4 strings of slow fire. Each string consists of 5 shots in 2.5 minutes at 25 yards.
- 4 strings of timed fire. Each string consists of 5 shots in 20 seconds at 25 yards.
- 4 strings of rapid fire. Each string consists of 5 shots in 10 seconds at 25 yards.

*An entire match can be completed in about an hour(ish).*

If there is an interest we would prepare a proposal for the Board to consider sanctioning a Bullseye section discipline within the Pistol Discipline.

### **BUFFALO SHOOT** **MAY 14, 2017**

The Victoria Frontier Shootists of the Victoria Fish & Game Protective Assoc. welcomed shootists island wide for Buffalo Shoot 2017. The shootists bays at the multi purpose range rang out with the sound of pistoleros vying for the top spots.

The competition for the number one position was a run a way for the young and quick Whistlin Will Gee from Courtenay besting the other shootists by a wide margin. The nine other places were closely contested.

**The 10 best shootists were:**

### **Fired Range Brass Program reminder!**

Just a reminder to our members to only put fired pistol and rifle cartridge cases (brass or steel) into the plastic range brass buckets. I just spent a few hours pre-sorting through 10 buckets of brass to remove the plastic shot shell hulls, used paper targets, empty cardboard ammo boxes, plastic ammo trays, used earplugs (LOTS of those), used Kleenex, and other misc garbage that should NOT be put in the brass buckets. Please use the provided garbage cans on our ranges for your garbage and ONLY put your fired rifle and pistol cartridge cases in the buckets provided for range brass. It will definitely help to make my job a lot easier ... and a lot less disgusting. It is a fairly time consuming job to separate and sort all of the various calibres of brass to make them available to the members that reload, but it makes it far more time consuming when I have to pre-sort all of the garbage out of the brass buckets first.

**Check page 34 in this newsletter for information.**

Many thanks in advance,

**VICTORIA FRONTIER SHOOTISTS****Nimrod 2017: A Cowboy Action Shooting Event****Introduction to New shooters of Cowboy Action****Saturday June 24th, 2017****8:00 a.m. to 12:30 p.m.**

The Victoria Frontier Shootists are offering our annual introductory course for cowboys and cowgirls for ages 10 and up, (children age 18 and under must be accompanied by an adult shooter).

This course is designed for those shooters who have expressed a keen interest in learning cowboy action shooting. Preference will be given to VFGPA members, and to those who have observed/assisted at a Cowboy Shooting event (such as our monthly match on the second Sunday of the month) and have not yet attended Nimrod.

PAL and successful completion of VFGPA Hand Gun Essentials Course recommended.

After an extensive safety meeting, participants will shoot 4 complete stages under the instruction and mentorship of experienced cowboy action shooters.

Ammo count: 40 rifle, 40 pistol, 16 plus shotgun

Set up: 8 a.m., Mandatory Safety Meeting: 8:30, Shooting: 9:00 a.m. to 12:30 p.m.

Cost: \$5 for VFGPA members using their own cowboy guns/equipment/ammo

\$40 for VFGPA members (equipment and ammo provided)

\$50 for non-members (equipment and ammo provided)

Please bring your own eye and ear protection, snacks and beverages.

Space limited to 10 shooters so register early. This popular event fills up fast!

Pre-registration by mail required by June 16th or in person at the VFGPA Discovery Day Cowboy Action Booth on June 18th.

To all Members:

Michelle Rempel, the Member of Parliament for Calgary Nose Hill is sponsoring a Government of Canada petition calling for the members of the Federal government's "Firearms Advisory Panel" to hold a PAL to qualify to be on that panel. This only makes sense since the members of that panel will be advising on firearms policies that affect the gun owners of Canada!

If you want your voice to be heard then you can add your name to the petition at the web address listed below:

# Junior Action Shooters

Is there a Junior in your life between the ages of 11 and 16 years of age who might be interested in coming out and shooting Action Pistol but isn't ready to shoot 9mm?

The South Island Action Shooters will be offering a Junior Action Shooters course that will teach safe gun handling, holstering and how to safely move through a course of fire using 22 rimfire pistols.

A parent or guardian must be present during the training course which will be approximately 8 hours and be required to provide a rimfire pistol for the Junior to train with. They will also need at least 2 magazines a sturdy belt, a holster and 2 magazine pouches.

Cost is \$20

First course will be on June 24<sup>th</sup>, 2017.

Please email [sias@vfgpa.org](mailto:sias@vfgpa.org) for more information or to register your Junior.

### **Federal Firearms Regulations Deferred**

The Minister of Public Safety announced that new Canadian Firearms Marking Regulation will be deferred until December 1, 2018.

It is positive that the Minister agreed that marking regulations, which were due to take effect June 1, 2017, need more time to be amended. The advocacy efforts of the BC Wildlife Federation (including Victoria Fish and Game Protective Association) and our Canadian Wildlife Affiliates made a significant contribution to persuading government that there was a need to look at changes to the wording of their proposed firearms marking regulation.

Thanks to the efforts of the BCWF Firearms and Recreational Shooting Sports Committees:

- 2,000 letters from British Columbia were delivered to the Minister
- Meetings were held with more than a dozen BC Members of Parliament

The BCWF will continue to engage on this issue; following up with the proposed new wording; and working with other stakeholders for a positive outcome.

### **THIRD ANNUAL EDWARDIAN SHOOTING PARTY** **JUNE 4, 2017**

A record number of well dressed shotgunners arrived at the Victoria Fish & Game trap field for this momentous event. Shotgun enthusiasts of every type from contemporary shotgun to traditional double barrels, gorgeous antique doubles and muzzle loaders were deployed in search of hitting the elusive clay birds.

The best dressed Edwardians were strutting their finery.

Andre Desautels turned in an incredible performance shooting a beautiful modern over and under plus interspersing his expert marksmanship with some shots from an 1860's black powder cartridge double barrel.

The winners were: Best contemporary shotgunner Andre Desautels, Best Women's contemporary shotgunner Jodi Sturgill, Best traditional double barrel Mark Batten, Best Ladies double barrel Sybil Kangas, Best black powder cartridge shotgun Doug Miller, Best muzzle loader shotgunner Doug Miller. There were also awards for best dressed shotgunners in all categories. By Gary K.

### TO ALL TRAP SHOOTERS

You can now shoot Trap at the same time as a Skeet  
Practice is taking  
place under some new strict conditions.  
Please ask Staff to review the new conditions with you  
when you stop  
by the office to sign out Trap Keys.

Thanks

### IMPORTANT MESSAGE

This is just a reminder that by law if you own a restricted firearm you must have a gun club membership (any gun club) or you may be subject to having your restricted firearms confiscated by the RCMP. Also make sure your PAL has not expired. As life gets busy we all know how easy it is to forget things. If you have firearms you want to dispose of, contact the club if you require assistance.

**IMPORTANT NOTICE TO ALL MEMBERS**

A reminder that all members of the Victoria Fish & Game are required to take our Free two hour Range Orientation Course every five years.

We are having a lot of changes & upgrades to the various ranges, and we do not want our members left behind with their knowledge of the range and its requirements.

New members are required to take the course before they are allowed to use any of our facilities. If you are an existing member, and have not already taken the

course, please look at our Website calendar and attend one of our sessions as soon as possible.

We require everyone to have their membership card, and an orientation card with them when attending the range .... so don't take a chance on being asked to leave if you do not have a card!!

## **TRAINING TIPS**

**Victoria Fish & Game Association, 700 Holker Place, Malahat BC**

**SAFETY REMINDERS--PLEASE READ**

**FIREARMS--CASES--BENCHES**

- \* Firearms are to be cased and uncased ONLY during Live Periods and preferably only at the Firing line (forward wooden benches) Actions open, Magazines removed (empty cases can be returned to rear gear tables)
- \* Firearms are to be Loaded and Unloaded ONLY on the Firing Line (forward wooden shooting Benches)
- \* Muzzles are always to be pointed down range or upwards.  
(magazine may be filled or emptied at the rear gear benches and tables).

**“CEASE FIRE” ROUTINE/PROCEDURES:**

- \* Remove ammunition from the Chamber. Remove magazines from the action
- \* Leave actions visibly open-(a chamber flag helps visibility!)  
Then- **Your Choice:**
- \* Leave firearm(muzzle pointed down range, magazine removed, action open) on FIRING LINE bench.

**Or**

- \* Carry firearm muzzle up and place in rear wall rack- magazine removed action open.
- \* Remember to take needed targets, tape, stapler, beverage, etc. with you when leaving the shooting bench area for the Cease Fire Period. (An RSO can retrieve forgotten items.)
- \* During a Cease Fire DO NOT go within 3 metres of the firearms on the bench or handle firearms on the racks( Remember your P.A.L. Course). Do not touch anything on your shooting table. (An RSO can retrieve forgotten items).
- \* During a Cease Fire the divided concrete slab area around the shooting benches is to be used to walk through only on the way to your target and back. Please remain off the shooting table area concrete during cease fire periods.

**Safety Tip**

Each Range has a Perimeter Flag. If the Red Flag is in the UP position that is a indicator that the range is active. Even if their is a cease fire shooting can start at anytime.

It is a good idea to put your Hearing Protection on at the Perimeter Flag before you get to the active range. (Range Rules require that hearing and eye protection be worn on the Ranges.)

The Federal Licensing Course suggest you wear both in ear and outside ear protection, another option is the "Electronics Earmuffs" Good Christmas List need item.

Once your hearing is damage it cannot be fixed and it does not repair itself.

## **DFO CUTBACKS TO EDUCATION PROGRAMS AND BIOTECH SUPPORT**

The Department of Fisheries & Oceans recently announced cancellation of all of their education programs and termination of biotech/consultant support to public involvement and community development salmonid enhancement operations. This would have meant the end of the '*Salmonids in the Classroom*' program (also known as *Stream to Sea*).

This was done with no consultation involving the various partner groups. It also would have amounted to savings of only \$400,000 per year for DFO. However, because of widespread opposition and anger among enhancement, education and fisheries organizations, DFO has put these cuts on hold for at least another year - and possibly long term.

The chair of the Sport Fishing Advisory Board has written the following letter, dated June 02, to the Minister of Fisheries & Oceans, Dominic LeBlanc, criticizing the cutbacks and urging that their decision be reversed.

June 2, 2017

Dear Minister

At the request of the Executive Committee of the Sport Fishing Advisory Board, and on behalf of British Columbia's 300,000 licensed tidal waters anglers, I must condemn in the strongest possible terms the recent cuts announced to parts of the Salmon Enhancement Program, in particular to the Resource Restoration Unit and to elements of the "Salmonids in the Classroom Program".

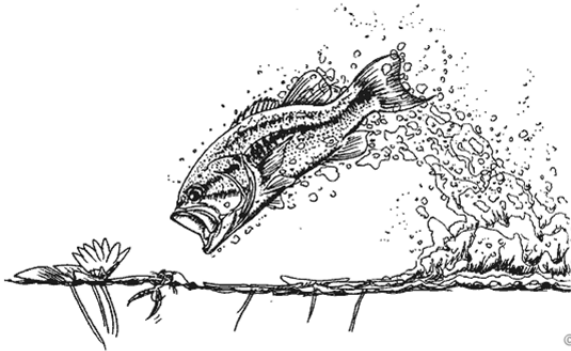

It has been said that following a program review these "were identified as not core to meet the department's legislative and regulatory responsibilities." If restoring salmon habitat and educating young Canadians about salmon and their vital place in the Pacific Region ecosystem are not core activities for DFO then it gives cause to wonder what other programs might also be under consideration for elimination.

The SFAB is troubled that with respect to these cuts there was no prior consultation with the many long-term partner groups involved in the affected activities or with the public. This seems inconsistent with the commitment in your Mandate Letter to setting a "higher bar for openness and transparency in government". I urge you to quickly reverse the decision.

Yours sincerely  
G.L. Kristianson  
SFAB Chair

**NEW VANCOUVER ISLAND DEER BOOK**

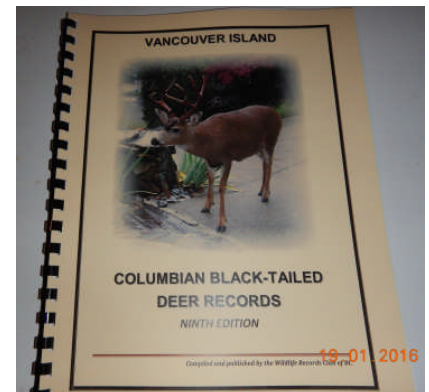

Copies of the ninth edition (2016) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$10 each. The publication contains an excellent article written by Byron Mason on fifty years with the deer in the Nimpkish Valley. Byron relates the impact of wolf and cougar predation on deer population abundance and hence, hunting success. He also includes 45 years of deer count data from 1970 through 2015.

There is also an article on early cougar hunting where the provincial government paid a bounty of varying amounts on cougars taken between 1870 and 1958. The new edition contains numerous colour photographs of harvested deer as well as record heads and antlers.

Copies of the previous eighth edition (2010) are still available at a cost of \$5.00.

The current records list over 2160 entries scoring 100 or more Boone & Crockett points.

Of particular note is the re-scoring of the Norm Hammond buck from 1942. These antlers were the number two head in the previous eighth edition (2010) scoring 139 7/8.

### NEW 7<sup>th</sup> EDITION BIG GAME RECORDS OF B.C.

The new 7<sup>th</sup> edition of the *Big Game Records of British Columbia* is now available at a cost of \$35. The 560 page hard cover book is published by the Wildlife Records Club of B.C. "This is the official records book for exceptional big game species native to British Columbia, based on the Boone and Crockett scoring system." The book lists more than 10,000 entries in 19 big game categories with over 1400 of these being new entries since the previous edition in 2010.

The book includes feature articles, many pictures and hunting stories related to several of the recent entries. "This is a book for all who have an interest in the outstanding diversity and abundance of big game in British Columbia."

"The foundation for the Wildlife Records Club of British Columbia was originally conceived in Kamloops in 1967 with the objective of maintaining a perpetual record of trophy-class big game from British Columbia." Since 1982, operations of the Club have been based on Vancouver Island. The Club continues to qualify volunteer scorers located throughout the province.

"Dedicated to wildlife conservation, selective hunting and fair chase, the Club invites the membership of individuals with similar ideals."

Copies of previous editions are available at the prices noted below (postage extra):
