ESTABLISHED 1919

AUGUST 2018

Editor & Publisher: Jodi Sturgill

Canadian Tire in Langford has new hours for their pro shop and will process membership forms during the following hours:

Tuesday, Wednesday, Thursday - noon to 5pm

Friday - noon to 6pm

Saturday & Sunday - 9 am to 5pm

The Pro shop is not open on Monday.

IMPORTANT MESSAGE

This is just a reminder that by law if you own a restricted firearm you must have a gun club membership (any gun club) or you may be subject to having your restricted firearms confiscated by the RCMP. Also make sure your PAL has not expired. As life gets busy we all know how easy it is to forget things. If you have firearms you want to dispose of, contact the club if you require assistance.

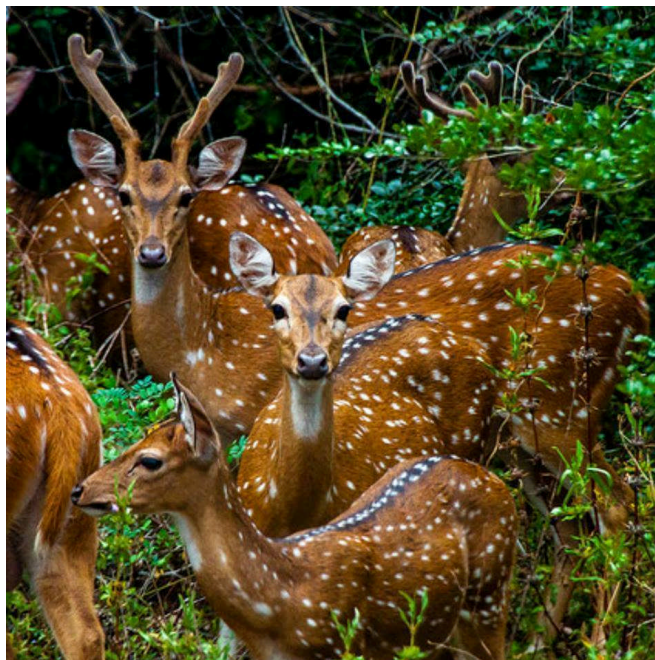

Hello Members,

Just a reminder ALL targets MUST be placed below "the orange lines on the Rifle Pistol Range" this prevents the target holders from getting shot up.

If you see someone not doing this please mention it to them (nicely).

Thanks for the help.

HOUSE KEEPING

Hello Members, a few house keeping items:

ALL NEW MEMBERS MUST TAKE THE ORIENTATION COURSE BEFORE THEY ARE ALLOWED TO USE THE CLUBS RANGES.

EVERYONE NEEDS TO SIGN IN WHEN AT THE RANGE!!

You cannot sign in anyone (for Free) on your Memberships. (if you don't have a Membership Card you have to have a Day-Pass displayed on you)

Sweeping your brass/steel/empty hulls off the concrete and/or leaving them on the ground is **not acceptable**. Please clean up after yourself. We have a lot of range users that do not know the rules (Day-Pass Users or New Members that haven't taken the mandatory "Orientation Course") please educate anyone not cleaning up after themselves. Extra buckets have been put at each range, these are not garbage buckets they are to be used for Brass Cartridges (recycle) on the R/P and M/P Range, shotgun shells on the S/G Range. All garbage (paper, plastic, cardboard) goes into the garbage cans.

Please print your Name/Member Number when you sign in, we **NEED** to be able to read what you **Write / Print**. **YOU MUST INITIAL THE ACKNOWLEDGEMENT THAT YOU KNOW THE RULES OF THE CLUB**

If **4:45pm** is Closing Time the last shot is **4:15pm**, you have 1/2 hr. to clean up and be past the main gate before it is locked. You need to be on the other side of the main gate by **4:45pm**. Range staff have already worked their 8 hours and would like to go home and see their families.

Closing Times for the Range Year 2018

NEEDED

We really need Members to Volunteer to present the Orientation Courses, Trap Access, Holster, And Handgun Essentials Courses.

Not a huge commitment, as we present the Trap Access Program (about 40 min.).

Trap is at 6 pm every Wed except during the winter.

Orientation is every Wed at 7pm, all year long Plus the odd Sat/Sun during the month.

We are doing the Holster Course and Handgun Essentials Course once a Month (usually on Sun.) but some Saturdays would be good as well.

Very easy to do, training provided, just send me an e-mail

davidmichaud333@gmail.com

To all Members:

The reason we are using thousands of dollars of wood each year here at VFGPA on the Rifle Pistol Range..

Brand new 1X4 destroyed with 7 shots.

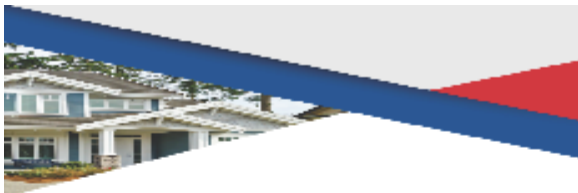

All targets on the Rifle Pistol Range must be placed below the orange lines. (bullets go through the open area between the 1X 4s on top and the bottom) NOT into the wood. 25 and 50 yds.

EDWARDIAN SHOOTING PARTY.

A well dressed group of shotgunners convened to celebrate the 4th Annual Edwardian Shooting Party, Sunday, June 24, 2018.

Match Director Michael McNall organized a successful event. Along with a cadre of dedicated volunteers headed by Fay McNall, followed by Al Page, Steve Thorne, Sybil Kangas and Gary Kangas. The event was topped off by a vintage style tea served in china cups & saucers accompanied by a delightful sandwich assortment.

The winners were awarded certificates for their stellar performances:

Top Gun Ian Nimmo also winner of Men's traditional double barrel shotgun.

Men's double barrel shotgun black powder Doug Linton

Ladie's double barrel shotgun smokeless Sybil Kangas

Men's muzzle loading shotgun Doug Miller

Best dressed shotgunners, Steve Thorne and Jodi Sturgill

The VWS had its rifle training, with some instruction on knife/tomahawk throwing on June 16th, and the weather could not have been better! We were more successful with the shooting than we were with the throwing, but we enjoyed ourselves in spite of the fact that most of them ended up laying on the ground or bouncing off the targets to land in the woods. Thanks to Doug Linton for leading the rifle training, and for the instructions on throwing knives/tomahawks, to Al Page for sharing his guns with us yet again, and to Erin Bernard for the wonderful snacks to keep us going through the morning.

The next training event is scheduled for July 14th and will focus on trap shooting.

The new 7th edition of the *Big Game Records of British Columbia* is now available at a cost of \$35. The 560 page hard cover book is published by the Wildlife Records Club of B.C. "This is the official records book for exceptional big game species native to British Columbia, based on the Boone and Crockett scoring system." The book lists more than 10,000 entries in 19 big game categories with over 1400 of these being new entries since the previous edition in 2010.

The book includes feature articles, many pictures and hunting stories related to several of the recent entries. "This is a book for all who have an interest in the outstanding diversity and abundance of big game in British Columbia."

"The foundation for the Wildlife Records Club of British Columbia was originally conceived in Kamloops in 1967 with the objective of maintaining a perpetual record of trophy-class big game from British Columbia." Since 1982, operations of the Club have been based on Vancouver Island. The Club continues to qualify volunteer scorers located throughout the province.

"Dedicated to wildlife conservation, selective hunting and fair chase, the Club invites the membership of individuals with similar ideals."

Airsoft News

We are averaging 20 - 25 members and about 35 - 45 guests on our regular game days. Having that many players on the field makes the games fairly lively and more engaging which is great to see. We have a number of family groups who are coming regularly now as well which is also great to see. Participants continue to range in age from 7 – 65 with the average being somewhere around 25. So, it's not just a sport for the very young by any stretch and we promise a good workout if you come out for a game. As always, if members are interested in trying the sport or even just trying an Airsoft gun please don't hesitate to drop in on a regular game day (generally every other Sunday) or to contact me directly (airsoft@vfgpa.org).

Our Discovery Day display was very well attended and the participants really seemed to enjoy themselves. I want to thank all the members who came out to help with the display and shooting line. At the event we did the draw for the Airsoft "Sten Gun" which had been previously donated by Yarrow Gun Works for the Game Dinner. Since we didn't have a Game Dinner this year, the club asked the Airsoft Discipline to raffle off the gun which went very well and raised \$475.00 for the Association. Sam Bolware, who is a member of the club, won the prize.

Keep an eye on the Airsoft Facebook page as well as the club calendar for upcoming game days, range improvement days and other special events. Our next scheduled game days are July 15th, July 29th, August 12th, August 26th and September 9th. We hope to see you soon.

Timberwest Access Program

The VFGPA is pleased to announce that we have reached an agreement for VFGPA/BCWF members with Timberwest, permitting hunting and fishing access to their South Island operations area. This vast region represents the largest single increase in legal hunting and fishing area on Vancouver Island to date.

**PAY ATTENTION LYMAN OWNERS AND FRIENDS OF SAME!!!**

Check your Lyman 50 cal. Safety Warning:

Lyman has determined that some black powder rifles and pistols could, under certain circumstances, develop separation in the breech plug, which may pose a potential safety hazard. Please do not load or use any rifles or pistols subject to this recall.

How to Identify Rifles and Pistols Subject to the Recall:

Find the serial number where the barrel meets the tang, opposite of the lock. The serial number has the letter "A" followed by a series of 6 numbers.

Action to be Taken:

If the serial number is within the range of A595960–A599026, immediately discontinue any use of this product. Please contact the Lyman Customer Service Department by emailing customerservice@lymanproducts.com or by calling 800-225-9626 Monday through Friday, 9 a.m. to 4:15 p.m. EST. You will be asked to provide your contact information, serial number, and either the part number or model to process the return.

Anyone outside the U.S.A. who is in possession of a black powder rifle or pistol within the recall range should contact your local distributor immediately.

BRASS PROGRAM

Just another reminder to our members to PLEASE only put fired pistol and rifle cartridge cases (brass or steel) into the plastic range brass buckets that are provided on the firing line. Please use the provided garbage cans on our ranges to dispose of your garbage and ONLY put your fired rifle and pistol cartridge cases in the buckets provided for range brass. If you could please do that it would definitely help to make our job a lot easier and a lot less disgusting. It is a nasty, time consuming job to separate and sort all of the garbage out of the brass buckets first. (Come on people, the garbage can is located only mere FEET away from the brass buckets!)

The volume of saleable, reloadable brass is down noticeably over the past year or so and I'd just like to remind our members once more that while we pretty much consider any brass that is still lying on the ground or on the concrete to be "fair game" if you'd like to pick it up for personal use, fired brass which has been placed into the club's plastic range buckets are then considered to be the property of the club. It appears that there are shooters who are "raiding" the range buckets and taking the club's fired brass. All of the funds that are generated from brass sales, including scrap brass, goes directly to the club and helps to pay for repairs, upkeep, and improvements on the range property. (And the recent purchase of the club's new rental chronograph.) If you take brass from the range buckets you are essentially denying revenue to the club which is used to your benefit. We'd ask that you please respect our "once the brass is in the bucket it stays in the bucket" policy for the benefit of all of our members.

Just a reminder too that the brass we sell through the club's brass recover program is sold "as received" in the range buckets and you will need to tumble it to clean it before you reload it. Some of it is once fired from factory ammunition, and some of it may have been reloaded several times. We have absolutely no control over that and it is up to you to clean it and then inspect it carefully before you reload it. You get it just as we receive it and we do NOT guarantee it to be only once fired.

Many thanks again to the club members who have donated their surplus, reloadable brass to our club's brass recovery program lately, and also my very sincere thanks again to club members Art Archer and Mike Lesperance who have been doing most of the brass pickup and brass sorting work for the past several months while I've been busy dealing with some ongoing health issues. It is VERY much appreciated.

SIAS Report

Our Club Matches continue to be held each month at the MP range, spectators are always welcome! Many of our members are also busy travelling to ISL matches up Island as well as IPSCBC matches all over the Province, it's a busy time of the year!

The SIAS table at Discovery Day once again proved to be popular and all of our volunteers were kept busy introducing people to handguns, both semi automatic and revolver in various calibres. Many thanks to Dave, Richard, Tim, Vic, Jerry, Dasha, Kyle, Thomas, Tony and Dom.

To John Pullen for the donation of ammunition, thank you for supporting SIAS and the shooting sports it is greatly appreciated!

WILD BUNCH

High winds nor the clouds or threat of rain deterred the participants competing in the Wild Bunch July 7, 2018 at the VFGPA Multi Purpose Range.

Four challenging main stages with lots of rounds down range, 48 rounds per individual for each stage. The event included movie night "Bear Cats", lunch & dinner prepared by Ashley Harrison. Participants from Victoria, and up Island locations attended.

Overall top five winners, Top Gun Ashley Harrison, 2nd Ken Cornish, 3rd Ron Salvati, 4th Bill Mason, 5th Gary Kangas. A wonderful time was had by all.

Victoria Fish & Game Club Chronograph is now available for rental!

The club recently bought a basic Model F-1 Chrony which will be available for rental to our paid, card carrying club members. (We will not be renting the club chronograph to day pass users.) We will be charging a nominal fee of only \$10 for the use of the club's chronograph, which will be available to be signed out from the Caretaker's office. We will have a simple form to record the renting member's information and it will be the responsibility of the renter to return the chronograph to the office before they leave the range property. Since we suspect this will be a very popular club program I would suggest that you contact the office in advance to book your rental of the club Chrony by date, to ensure that someone else hasn't arranged to rent it on the same day. The Chrony mounts to a standard camera tripod and for the moment until the club purchases a tripod to keep at the office for use with the Chrony you will need to bring your own tripod.

Junior Action Shooters

Is there a Junior in your life between the ages of 11 and 16 years of age who might be interested in coming out and shooting Action Pistol but isn't ready to shoot 9mm?
The South Island Action Shooters is offering a Junior Action Shooters course that will teach safe gun handling, holstering and how to safely move through a course of fire using 22 rimfire pistols.

A parent or guardian must be present during the training course which will be approximately 5 hours and be required to provide a rimfire pistol for the Junior to train with. They will also need at least 2 magazines a sturdy belt, a holster and 2 magazine pouches.

Please email sias@vfgpa.org for more information or to register your Junior.

**BULLSEYE SHOOTING AT VFGPA? 2018**

VFGPA Weekly Bullseye Competition Shooting recently opened the 2018 season. We shoot on Wednesday morning at 09.00h. [Setup is 08.45] In addition to the match course of fire we share tips and practices all aimed at improving our marksmanship skills. Bullseye shooting will be of interest to pistol shooters who want to move from fun “Plinking” to Competitive Pistol shooting. This 22 cal. course of fire emphasizes accuracy as it requires disciplined hand/eye coordination when shooting a 5.5-inch and 8-inch bullseye targets, one-handed at 25 yards.

Don and David have assigned MP Range 8 for us each Wednesday. Early in the season we have 5 regular participants and feel we can accommodate another 3 or 4 shooters.

If Bullseye/Precision Competitive Shooting is of interest to you Please contact Gary Byrne at (250)634-8215. He can share additional details and answer any questions you may have.

**Publisher's Note**

Deadline for each month is the Wednesday after the Executive meeting (the first Monday) of the month.
NEXT DEADLINE WILL BE ON WEDNESDAY, August 8th, 2018. Note: Late submissions will be published in the month following. Send all pictures with the event name, date and the names of people in the photo.

Please send all submissions to:

**IMPORTANT NOTICE TO ALL MEMBERS**

A reminder that all members of the Victoria Fish & Game are required to take our Free two hour Range Orientation Course every five years.

We are having a lot of changes & upgrades to the various ranges, and we do not want our members left behind with their knowledge of the range and its requirements.

New members are required to take the course before they are allowed to use any of our facilities. If you are an existing member, and have not already taken the course, please look at our Website calendar and attend one of our sessions as soon as possible.

We require everyone to have their membership card, and an orientation card with them when attending the range so don't take a chance on being asked to leave if you do not have a card!!

Feb 17/18	May 12/13	Aug 18/19	Nov - Off Hunting!!
Mar 17/18	Jun 16/17	Sept 15/16	Dec 8/9

Location: Courses are held Saturday/Sundays from 8:20 to 4:30 p.m. Classes are hosted in the Westshore.

Course Content:

SATURDAY	SUNDAY
Principles of Conservation	Outdoor Safety and Survival
Hunting Ethics	First Aid
Hunting Laws and Regulations	BC Game Animal Identification
Firearm Safety	BC GAME Birds Identification
Practical Firearms Examinations	Written Exam

Additional Instruction:

Use and knowledge of the BC Hunting Synopsis (~ 2 hours in our course)	Wilderness emergency communication

SAFETY REMINDERS--PLEASE READ

FIREARMS--CASES--BENCHES

- * Firearms are to be cased and uncased ONLY during Live Periods and preferably only at the Firing line (forward wooden benches) Actions open, Magazines removed (empty cases can be returned to rear gear tables)
- * Firearms are to be Loaded and Unloaded ONLY on the Firing Line (forward wooden shooting Benches)
- * Muzzles are always to be pointed down range or upwards.
(magazine may be filled or emptied at the rear gear benches and tables).

“CEASE FIRE” ROUTINE/PROCEDURES:

- * Remove ammunition from the Chamber. Remove magazines from the action
- * Leave actions visibly open-(a chamber flag helps visibility!)
- Then- **Your Choice:**
- * Leave firearm(muzzle pointed down range, magazine removed, action open) on FIRING LINE bench.

Or

- * Carry firearm muzzle up and place in rear wall rack- magazine removed action open.
- * Remember to take needed targets, tape, stapler, beverage, etc. with you when leaving the shooting bench area for the Cease Fire Period. (An RSO can retrieve forgotten items.)
- * During a Cease Fire DO NOT go within 3 metres of the firearms on the bench or handle firearms on the racks(Remember your P.A.L. Course). Do not touch anything on your shooting table. (An RSO can retrieve forgotten items).
- * During a Cease Fire the divided concrete slab area around the shooting benches is to be used to walk through only on the way to your target and back. Please remain off the shooting table area concrete during cease fire periods.

Safety Tip

Each Range has a Perimeter Flag. If the Red Flag is in the UP position that is a indicator that the range is active. Even if their is a cease fire shooting can start at anytime.

It is a good idea to put your Hearing Protection on at the Perimeter Flag before you get to the active range. (Range Rules require that hearing and eye protection be worn on the Ranges.)

The Federal Licensing Course suggest you wear both in ear and outside ear protection, another option is the "Electronics Earmuffs" Good Christmas List need item.

Once your hearing is damage it cannot be fixed and it does not repair itself.

David Michaud, CRSO

Your Cooperation is appreciated! Your Safety is our only concern!

Thank-you
Your RSO Volunteers

SUMMER CAMPS

The K-12 Cavemen Engineers summer camp is open for registrations. The program is a fun mashup of Science Venture meets Makerspace and How it's Made - situated in Nature Education, for ages 6-12. Although the context is science, technology, engineering, and math, (STEM), class modules such as Rover Meets Smokey the Bear, and My Mom is a Sheriff are a fun and safe format introducing kids to STEM-heavy professional careers on working landscapes, and professional designations requiring firearm ownership.

NOTE: The camp is on public school property and **no** private firearms are involved in the curriculum.

We are also taking applications for two Canada Summer Job assistant instructor positions – (Open to all applicants, but with the following hiring priorities)

- Student with disabilities
- Indigenous student
- Student who is member of a visible minority
- Student who is a new immigrant/refugee

Summer Camp Program Details:

Where: Room 1103 Edward Milne Community School (EMCS) 6218 Sooke Rd., Sooke, BC

When: Week days July 9 – August 31 8:30 – 16:00

Cost: \$150 /wk or \$50 /day (day rate when space available)

Registrations will be limited to 20 students daily – full calendar & details coming soon. Priority will be given to full week registrations.

Additional information and program updates are regularly posted on the VFGPA web site: <http://k12cavemen.info>

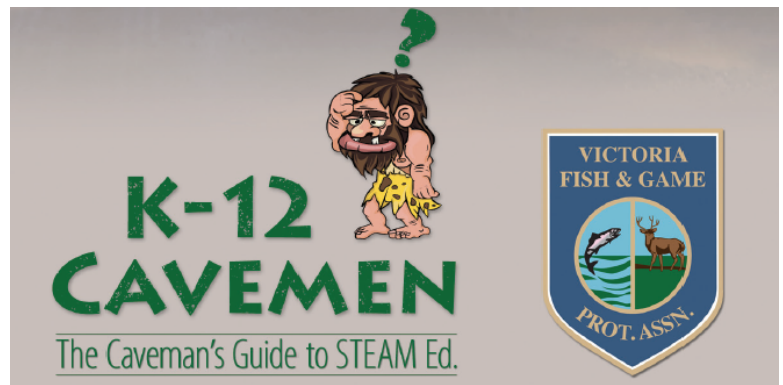

Our organization has a lot of experience and knowledge vested in its membership, and we welcome volunteer participation for STEM relevant presentations and field trips.

**NEW VANCOUVER ISLAND DEER BOOK**

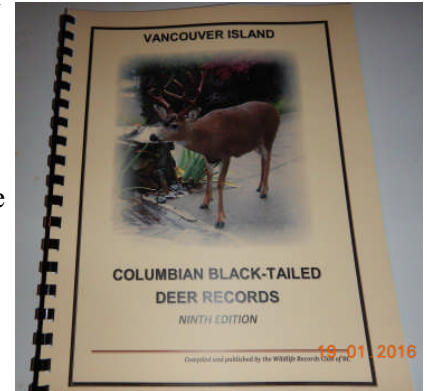

Copies of the ninth edition (2016) of the Vancouver Island Columbian Blacktail Deer Records are available at a cost of \$10 each. The publication contains an excellent article written by Byron Mason on fifty years with the deer in the Nimpkish Valley. Byron relates the impact of wolf and cougar predation on deer population abundance and hence, hunting success. He also includes 45 years of deer count data from 1970 through 2015.

There is also an article on early cougar hunting where the provincial government paid a bounty of varying amounts on cougars taken between 1870 and 1958. The new edition contains numerous colour photographs of harvested deer as well as record heads and antlers.

Copies of the previous eighth edition (2010) are still available at a cost of \$5.00. The current records list over 2160 entries scoring 100 or more Boone & Crockett points.

Of particular note is the re-scoring of the Norm Hammond buck from 1942. These antlers were the number two head in the previous eighth edition (2010) scoring 139 7/8.

Following a request from the current owner, it was panel scored in March 2015 and is now ranked as the number one Vancouver Island deer with a score of 143 5/8.

I have my blacksmith shop set up, and I am starting to take orders for iron work.

Do you need some throwing knives, tomahawks, a flint striker, fire irons, grills, lantern hooks, fire pokers, bottle openers etc...? I specialize in hand forged 18th and 19th century reproductions, and can make just about anything for your rendezvous camp, or Christmas presents. If you want things made soon and delivered, I will be at the turkey shoot in Victoria on the 26th and 27th and can bring things with me. Please check out my FB page Meška Ironworks to see some of my other stuff. **Contact me at: 604-719-4139 or blcksmithju@hotmail.com**
