### STANDING RULES

The Chair of the meeting may resolve matters relating to the conduct of the VFGPA's Annual General and Special Meeting held entirely or in part as an electronic meeting. The rules of order below have been established by the Chair to facilitate progress, include members in orderly debate, and to ensure fairness, equality and common sense:

1. The Annual General Meeting is for the general business of the VFGPA, and the special business included in the meeting notice. Issues of a personal nature should be addressed to the VFGPA President or the Range Manager separately from the meeting.
2. Only Verified Members may make and second motions on procedural matters, vote on motions and participate in discussion during the meeting. A "Verified Member" is a member who has had their membership verified as active for the current year in-person, or online by the Administrative Coordinator and supplied with the Zoom registration link.
3. After the Chair invites discussion on a matter, a Verified Member who wishes to comment on the matter may enter 'raise their hand' on Zoom, and will be entered in the queue, on an alternating basis with members present at Strawberry Vale Hall.
4. On each matter, each Verified Member is entitled to comment up to two (2) times; the second time being after all other 'first-time' speakers have been heard.
5. Discussion must be germane to the pending agenda item.
6. Members must observe decorum, and must avoid disorderly or discourteous behaviors or personal attacks.
7. The Chair may elect to not address discussion that is not consistent with these Standing Rules.
8. As per our Bylaws, proxy voting is not permitted.
9. The Chair may resolve all matters relating to the conduct of the meeting not addressed in these Standing Rules.
10. As per our Bylaws, each membership is entitled to ONE vote.
